#### What is The Victory Loan.

In some quarters one hears the above question. In a word, it is the promise of the Government of Newfoundland to the holder of a Bond that the Government will pay an amount to the holder, together with half-yearly interest at a rate over twice that paid by the banks on savings deposits, and nearly seven times the value of money retained in one's pocket, and therefore not bringing in income. It is true our sons have gone in numbers to fight for Liberty, but how can they be equipped and maintained in food, clothing and arms if those at home do not lend their money for the purpose?

The British Empire and its Constituent Colonies have created greater War Loans than the world has ever known. The United States have contributed not millions but billions, and the end is not yet in sight. Can any one, therefore, stand aside and say: "Why should I lend my money to this Government?" The answer is that if any person wishes to insure his life against the atrocities and barbarities inflicted by the Germans upon Belgium and other outraged countries he can do so by the purchase of a policy through the medium of the forthcoming Victory Loan. When Peace is restored he shall have the manly, patriotic feeling that not only has he contributed to a noble cause, but his money will have earned a higher rate of interest than has so far been possible to attain upon such excellent security as the name and resources of our Colony and shore.

#### C. C. C. Inspection.

There was a full attendance of the C. C. C. at their Armory last night. Lt.-Col. Conroy was in command and inspected the lads, being assisted by Capt. L. C. Murphy, a former officer of the battalion. The corps was then put through various exercises all of which were performed without a hitch. The Lt.-Col. then addressed the lads on the advantages of membership in the brigade. A number of promotions were announced and good conduct stripes awarded. The band under Capt. Bulley was present and rendered some excellent music. On next Thursday night a full battalion parade will be held.
