Timely Advice.

At the Annual General Meeting of the Shareholders of the Bank of Montreal, which was held on December 3rd, the President, Sir Vincent Meredith, Bart., referred to the heavy bur- PLAN WINTER ENTERTAINMENTS den of taxation under which the people in Canada were staggering and said:

again the desirability, one might even for the winter months they have plantainment Committee, took place last held and the proceeds were quite np say the imperativeness, of moderating public taxation, lederal, provincial tainments. Beginning to-night there wards of 200 dancers were in atten- hold a dance on St. Stephen's night, load pressing upon business and de- will be a card party for ladies and dance and an enjoyable evening was and the ladies are now busy making The margin of profit in all business is there will be a Grand Dance. Prizes which always proves to be the event lotteries in connection with the sale seriously curtailed by the accumula-tion of taxation, a condition that rethrift. In making this remark, I am to be the event of the season and the Mrs. C. E. Hunt and Mr. S. Fraser. nounced as follows:-Messrs. M. P. not unmindful of some recent signs ladies are looking forward to a large of improvement. The rising revenue attendance.

The Club Orchestra furnished a de-Hynes, Geo. J. Coughlan, J. Cahill, lightful selection of music during the (Logy Bay), Harry Holloy and Miss of the Dominion Government, promises a balanced budget at the close of the fiscal year, and if out of this, with further reduction in expenditure, comes some remission of direct taxa-tion upon trade, it will undoubtedly

operate to the general advantage.' The President's remarks in exigiencies of the war, and employed as a domestic servant. which, although the war has been over for five years, have been but slightly modified since.

In this connection, we fully

"The Business Profits Tax was imposed during the war when money making was easy, and it was right that the country should share in the huge profits that were being made and in many cases recklessly squanthen things have changed in the reconstruction period profits are being made to tide them Cogswell, S. Battew, H. Noel, The commerce and industry of the country undoubtedly need encouragement. Not by subsidy, however; that would only intensify the situation; t by Government aid in the shape of relief from taxation."

Referring again to the addresses delivered to the sharely advice given by Sir Frederick Glover. Williams-Taylor, the General Manager:

"Canada cannot progress as she should until our cost of living and Canada's economic position will not

he satisfactory until we succeed in balancing our public revenue and ex-penditure, including railways. For the time being we are handi-capped in three distinct respects, two of which are common to all countries engaged in the war from the beginning and at present endeavouring to balance their budgets, viz., high cost-

of living and high taxation.

The remedy is in our own hands and is practicable. We have only to conduct our personal and public afe-spending of all countries, the

fairs more economically than do our neighbors in that most wealthy and United States. Adversity is a severe teacher, but Chocolates in Fancy Packages.
