\$25 Weekly Costs 30 Cents

It may seem strange but this Company has been doing just that thing for a quarter of a century. We pay for all injuries, \$25.00 weekly or \$5,000 for loss of life, at an annual premium of only \$16.00 which is thirty cents per week. At this cost what business man can afford to be without it? You may never need it, but if you play with Fate, you may be caught napping. It costs only five cents a day while you're o.k. to give you \$25.00 a week when that injury happens.

WE HAVE PAID TOTAL CLAIMS OF \$87,000,000.
