

# The Spring Feeling.

NOT EXACTLY SICK—BUT NEITHER ARE YOU WELL.

CLOSE CONFINEMENT DURING THE WINTER MONTHS HAS LEFT YOU WEAK, EASILY DEPRESSED AND "OUT OF SORTS."

The words "weak and depressed" expenses the condition of thousands of people in the spring time. It is one of nature's signs that humanity cannot undergo months of indoor life in badly ventilated buildings with impunity. Sometimes you have a headache; slight exercise fatigues you; your appetite is variable; you are easily irritated or depressed; perhaps there are pimples or slight eruptions that indicate the blood needs attention. Whatever the symptom may be it should be attended to at once, else you will fall an easy prey to graver disease. Do not use a purgative in the hope that it will put you right. Any doctor will tell you that purgatives weaken, that they impair the action of the liver and create chronic constipation. A tonic what is needed to help nature fight your battle for health, and there is only one always reliable, never-failing tonic, and that is Dr. Williams' Pink Pills. These pills have no purgative action. They make rich, red blood, strengthen the tired and jaded nerves, and make weak, depressed, easily tired people, whether old or young, bright, active and strong. Among those who have proved the health-bringing qualities of Dr. Williams' Pink Pills is Miss Emma Chappet of Lake Taron, Ont., who says:—

"I cannot thank you enough for the good I have derived through the use of Dr. Williams' Pink Pills. I honestly believe that but for them I would now be in my grave. My health was completely broken down, my face as white as chalk, and if I made the least effort to do any housework I would almost faint from the exertion, and my heart would beat violently so that I feared I would drop where I stood. I was a great sufferer from headaches and dizziness as well, and my appetite was so poor that I scarcely ate at all. I tried several medicines, but they did not help me, and then I decided to send for some of Dr. Williams' Pink Pills. I got six boxes and before I used them all I was as well as I had ever been, with a good healthy color, a good appetite and an entire freedom from the ailments that have made me so miserable. You may be sure I will always have a warm regard for your invaluable medicine."

Do not experiment with other so-called tonics—you are apt to find it worse than before. You will not be experimenting when you use Dr. Williams' Pink Pills. They have proved their value the world over, and you can rely upon it that what they have done for others they will do for you. If you cannot get the genuine pills from your dealer send direct to the Dr. Williams' Medicine Co., Brockville, Ont., and they will be mailed post paid at 50 cents a box or six boxes for \$2.50.

Why do you suppose Emperor William has sent his only brother to China? Don't ask me, gracious, I have all I can do to look after my own family rows.

He Kept his Leg.  
Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and my leg was as well and sound as ever." For eruptions, eczema, tetter, salt rheum, sores and all blood disorders Electric Bitters has no rival on earth. Try them. J. E. Richards will guarantee satisfaction or refund money. Only 50 cents.

Chappy—Aw, weally, I'm getting un-easy. They're applying science to every-thing, doncherknow. They're even trying to invent a machine to tell what a fellow's thinking. Maad—You have no reason to be disturbed.

## children Cry for CASTORIA.

Mr. Lynch and his friend were discussing family names and their history. "How did your name originate?" asked the friend. Oh, probably one of my ancestors was of the grasping kind that you hear about so often. Somebody gave him an 'ynch, and he took an 'L.'

# CANADIANS WITH FRENCH.

Distinguish Themselves by a Wild Buffalo-Bill Attack.

The Charge Proved Too Much For the Boer Farmers—Gen. French Has Accomplished Valuable Results—Burg-ers Have Given Gen. Botha an Ultimatum—If He Does Not Accept Kitchener's Terms They Will Yield.

Durban, Natal, April 7.—Details which are arriving here of General French's successful operations in the Eastern Transvaal show that in one engagement the Canadians charged a Boer position in Buffalo Bill style, firing as they galloped along. The Boers were in a position where they could not have been flanked, and where it was almost impossible to dislodge them, but by the forward charge of the Canadians they were forced to yield.

Scores of Boers with their families have surrendered at Melmoth, Zululand, and others are following their example at different places. The people coming in say they have never heard of the British proclamations in respect to those who surrender, and, furthermore, that they have been misled in regard to the Boer position.

Big Treason Court.  
Cape Town, April 7.—Bands of Boer invaders are still roving about the Cradock district of Cape Colony. A suggestion has been made that a special police force be raised for the purpose of attempting to capture or drive out the Boers. Several bands have concentrated at Spitzkop.

Commandants Kritzing and Scheepers are endeavoring to combine their forces in the Murraysburg district.

The Treason Court, which is to meet at Barkly East, will have to hear the cases of 104 alleged rebels.

ULTIMATUM FOR BOTH.  
General French's March Has Been Productive of Results.

Pretoria, April 7.—The results of Gen. French's march are everywhere evident along the border line between the Transvaal and Natal. Many Boers who escaped Gen. French's dragnet are now surrendering voluntarily, and it is said that all of them are in a bad plight, even in their own bailiwicks.

A rumor is in circulation here that the burghers have given Commander-in-chief Botha until April to accept Gen. Kitchener's terms of surrender, and that if he does not accept on that date they will leave the commandoes and come in themselves.

A general surrender of the Boers is not expected here, however, until the northern mountainous districts of the Transvaal have been subdued. Drafts of the Constabulary are being drilled daily.

The garrison of Mantonfontein, composed of the Essexes and the Dublin Fusiliers, are in touch daily with the Boers, who are attempting to cross the line.

The commando of Lucas Meyer, which is made up of men from the Heidelberg district, is in the neighborhood of Vermeulen, on the Klip River. This commando is careful, however, to avoid the camps of the British and to loot unprotected places. A British column, which is marching on Harrismith, will attempt to break up Meyer's force.

NEWS FROM KITCHENER.  
Volunteer Companies Relieved—Boers Will Fight to Bitter End.

London, April 8.—Lord Kitchener has informed the War Office that 18 volunteer companies, freed by reliefs, are coming home, and that arrangements are in progress for the speedy relief of further companies. He thus appears to be endeavoring to meet the demand that fresh troops be sent to the front to replace the stale men.

The Pretoria correspondent of The Morning Post, who warns his countrymen against hoping for an early termination of hostilities or believing the stories that the Boers are tired of the war, says:—

"It becomes daily more evident that the Boers intend to fight to a finish. Many are surrendering, but they are men of no standing. The real fighting men are still in command, and although the recent successful British operations tend to bring the end nearer, it is evident that the Boers must be completely crushed before a general surrender is probable."

It is reported from Brussels that Acting President Schalkberg has removed the seat of Government to Leydsdorp.

According to a despatch to The Daily Mail from Hillversum, Mr. Kruger, who has just arrived there, has expressed an intention to go to the United States in June and to visit Washington, Chicago and Boston.

"It is definitely ascertained," says a despatch to The Times from Kroonstad, dated Saturday, that Gen. Dewet and Gen. Botha met at Vredek.

# A TALK WITH KRUGER.

He Declares Again For Boer Independence in Order, He Says, to Insure Peace Forever in South Africa.

Paris, April 6.—An interview with Mr. Kruger appears in The Matin, the former President of the Transvaal, on the eve of his retirement to the country, said at Utrecht:—

"The British Government, British telegraph and the British press, always try to make this much"—and he measured his little finger—"and he measured his little finger"—and he extended both arms. "I am persuaded everything is going well out there precisely because our enemies continue to disseminate and travesty facts."

"As regards Gen. Botha's negotiations, the public knows from the blue book and by reading Gen. Botha's last despatch that it was the British general who first made proposals. Never did the Boer general refuse to listen. We do not fight, except for peace. We are not conquerors, but, although Gen. Botha listened to the British proposals, he never uttered a word of equivocation on the subject of independence. Independence is the only treasure we cherish, even if we have to sacrifice all others to have our national independence."

It is for that reason our citizens forsake their farms, and sacrifice their lives, and our women and children now suffer temporary servitude in the enemy's camp.

"And, if the English were not blind, if they considered their own interests well, if they were not hopelessly enslaved by error and injustice, they would recognize the independence we demand, because in the hope of safeguarding it we shall be ready to make any concessions and sacrifices, and moreover it would assure peace forever in South Africa."

Boer Attitude Faded.  
Bethlehem, Orange River Colony, April 4.—(Thursday.)—A force of Boers, under Commandant Kritzing, attempted to re-cross into the Orange River Colony to the west of here, but failed.

Red Cross Medal to Mme. Ferris.  
Johannesburg, April 5.—Lord Kitchener has personally presented the Red Cross medal to Madame Ferris, head of the French ambulance detachment, for her services to the British wounded.

Plumer Keeps Advancing.  
London, April 6.—Lord Kitchener reports as follows to the War Office: "Col. Plumer has advanced 20 miles beyond Nylstroom unopposed on the way toward Pietersburg."

The Last of the Enemy's Guns.  
London, April 6.—Lord Kitchener, reporting to the War Office the finding of an abandoned and destroyed pom-pom near Vryheid, says: "This accounts for all the enemy's guns known to be in the southeastern district."

French Keeps Moving.  
Cape Town, April 6.—Gen. French continues to press the Boers at Vryheid, Transvaal Colony.

Will Not Interfere.  
Washington, April 6.—Though the State Department has been invoked to effect the release of the steamship Anglo-Australian, at New Orleans, loaded with munitions consigned to the British Government in South Africa, the sailing of which has been prevented by an application for an injunction made by Boer sympathizers, it decided not to interfere. The matter will be left to the courts to decide.

Will Go in a Hay Ship.  
Ottawa, April 6.—There are still in Ottawa eleven members of the South African Constabulary, who had to be left behind on account of sickness. They are now convalescing, and having represented to the militia that they are now fit and anxious to proceed to South Africa, it has been decided to send them to Cape Town on the next steamer, which leaves St. John laden with hay.

Stewart Receives \$400.  
Ottawa, April 6.—Pte. Alex. W. Stewart, of the Canadian Horse, who was recommended for the distinguished service medal for gallantry shown at Meehan, has received \$400 from the British War Office. Pte. Stewart was wounded in action at the above place. He has been assigned to McNaab Township, near Annapolis. His comrades speak highly of Stewart's bravery as displayed under a hot fire.

The Halifax Garrison.  
Ottawa, April 6.—Recruiting for the Halifax garrison is proceeding slowly, but there are now about 600 men on the roll. The Militia Department is satisfied the regiment will hold its own. There are few vacancies among the officers.

C. L. A. Annual Meeting.  
Toronto, April 6.—The annual meeting of the Canadian Lacrosse Association was held yesterday in the Temple Building, and was undoubtedly one of the most successful in the history of the association. The reports of the various committees showed the organization to be in a highly flourishing condition, and the prospects for the coming season show every indication of keen competition in all the various districts for championship honors.

The West Hastings Election.  
Ottawa, April 6.—A writ will be issued at once for an election in West Hastings. The resignation of Mr. Corby has at last been received by the Speaker, who has issued his warrant for an election. Mr. Corby was first elected in 1888 and has been elected at every general election since that time.

The Wheelmen.  
Toronto, April 6.—The annual meeting of the Canadian Wheelmen's Association was held here yesterday. There was a fair attendance, and A. E. Walton was elected president. It was decided to take up racing again.
