Convention of Middlesex and Lambton W. C. T. U. Delegates.

Interesting Papers - Tobacco, Liquor and Opium Scored—High License De-nounced—The Dominion Government Taken to Task-A Sunday Newspaper Referred to - London Ladies Take Prominent Part.

W. C. T. U. delegates from the counties of Middlesex and Lambton met in convention yesterday in the town of Petrolea. The president, Mrs. (Rev.) McCatcheon, occupied the chair. The first hour was spent in devotional exercises, Mrs. Hayhurst, of Forest, reading a portion of scripture. Committees on resolutions and plans of work were formed, Mrs. Millar and Mrs. Thornley conveners. A letter from Mrs. Coles, provincial superintendent of narcotis, was read with greetings for the sisters, and the suggestion made that every man who sells tobacco in Lambton and Middlesex should be supplied with a copy of the Tobacco Act. A paper from Mrs. S. M. Williams, of London, county superintendent of literature, was read, giving valuable hints in the matter of distributing temperance literature, and urging the members to pay more attention to this department. ting the paper anywhere, let

bers to pay more attention to this department.

After opening prayer a paper on narcotics written by Mrs. Childs, of South London, was read, which was well calculated to stir up all workers in the war against tobacco and opium. She said temperance was with women at least, and with a great many men, the leading problem which occupied the thoughts and measures out most of the heartfalt plans of the day. Perhaps its most dreaded form of approach was tobacco. The W. C. T. U. recognized this fact with a keenness which could only be realized by careful study of facts, and a quickening of God-given powers of observation. Out of the thousands who had been at Dr. Keeley's cure many had been interviewed on the tobacco question, and everyone admitted that they began the use of tobacco previous to the use of liquor. Some said the early use of tobacco led to the drinking. This unclean spirit last year robbed God of over \$400,000,000 in this country alone.

The provincial president, Mrs. J. R. Cavers, of Galt, was then introduced and spoke a few words of kindly greeting.

The following resolutions were brought in: Resolved, that we are now and always opposed to any increase in the license fee, either by local, Provincial or Dominion authority; also resolved, that we urge all temperance organizations to unite in exposing the fallacies of this so-called temperance measure, and that we importune all temperance fournals to educate their readers by placing before them unanswerable arguments in the form of facts from high license states, and thus demonstrate the falsity of the claims of high license advocates.

Resolved, that we commend this needed reform to the attention of all labor reformation and philanthropic organizations and to the merchants of this Province; also, that we urge upon our Dominion and Provincial Unions co-operation in every measure tending to bring about a compulsory closing act.
