CONVINCED THE SKEPTIC.

The Merits of the Great South American Nervine Withstand All the Assaults of willing to give the citizens would be the Credulous and Skeptical-When order to make permanent improve- week. They Are Converted to Its Use in Their Personal Ailments They Become Its order to make permanent ments to the hospital.

The doctors expressed themselves as

Nervine to everybody. I consider it ways. They believed it was much better to turn their attention towards making this hospital complete than it would be truant to the best interests of humanity were I not to do so. In one instance I convinced an avowed skeptic to all remedies of its curative powers; he procured a bottle, and it has been of such benefit to him that he continues to purchase and use it, and has proved its great worth as a stomach and nerve tonic. It has done wonders for me, and I keep it constantly in my house. An occasional dose acts as a preventive, and keeps to turn their attention towards making that the attention towards making the attention towards makin sa: "I recommend South American dose acts as a preventive, and keeps struct the architects.
