LIVE STOCK MARKETS. TORONTO.

Torento, Feb. 15.—The run at the city sattle market today was 90 loads, with 1,475 head of cattle, 676 sheep and lambs, 400 hogs and 109 calves.

The indications of a good run early in the morning had the effect of making trade a little slow at the opening of the market, some of the buyers holding off for a time, possibly in the expectation that there might be a drop in the mar-Such an expectation was hardly realized, for, with the arrival of several well-known buyers from outside points. soon began some hustling to secure From this out there was a good, active market. There were, however, plenty of cattle on hand, and everyone There were however, was fairly well supplied, prices holding about steady all around, going no higher than Tuesday's quotations, and in one r two cases, indeed, drovers accepted today a little lower figure than they were bid, but had refused on Tuesday. There were some good butcher cattle to be had, and these fetched very high prices, going as high as \$4.65, but these were very prime, good weight butchers, and there Ontario a not many of them. Average, good heice butchers sold at around \$4 to ; medium at \$3 85 to \$3 90.

The admiral made no specifications or equipment of the ships, but he commented at length on the destructive water near the Russian vessels, cracked their plates and opened great leaks, while those which hit the Russian ships were as destructive as mines. all my children and myself."

U. S. Immigration. Washington, Feb. 16.—The immigration from all countries for January, 1906, according to the statement issued by the United States Bureau of Immigration was 51,127, a decrease of 9 per cent over January, 1905, but an increase of 79 per cent over 1904. The largest immigration came from Italy, which sent over 11,229 persons. Hungary was next with 11,108, while the Russian Empire and Finland sent
