

DEMAND FOR HAY MEETS NO SUPPLY

Buyers Ready on Local Market But No Sellers Appear.

There was no local market this morning. The farmers are busy threshing and harvesting their oats, which is probably the reason for their non-appearance. There were over a score of men on the market early this morning waiting to buy hay. The man with a load would have been able to dictate his own price. Hay has been very scarce for the past two weeks, and has jumped from \$9 to \$13.50.

There was a great demand for wheat and oats also.
