DEFENCE WORKS OF FOE; BRITISH AHEAD ONCE MORE

Canadian Artillery Busy on Somme Front and Rapidly Consolidating All Advances --- Haig Reports More Ground Taken on Somme.

(Canadian Press.)

New York, Nov. 3 .--- A news agency dispatch from London, published here today says:

Despite unfavorable weather Canadian artillery steadily bombarded German trenches yesterday, said an official statement regarding Canadian operations, while infantry continued the heavy, monotonous task of improving and consolidating their lines.

The Germans have made no further attempts to retake recently captured trenches.

British troops captured a German trench east of Gaudecourt in a resumption of fighting on the Somme front yesterday, Gen. Haig reported today. The position was secured last night.

Canadian communique.

During the past week there have been no active infantry operations, although large patrols at night have reconnoitred the enemy positions. Our arnoitred the enemy positions. Our arnoitred the enemy positions. Our arnoitred the enemy positions of active infantry operations, although given a decisive promise of improvement. The enemy have made no further attempt to retake the trenches the following that the province had won a great victory. Line, Barring Way to Triest—Duino, Key to Triest, About to Fall.

London, Nov. 3.- A Rome dispatch to the Wireless Press says the first day of the new Italian offensive cost the Austrians the loss of 15,000 men.

One-third of them were made prisoners. The 21st Austrian Regiment and several battal-

ions are said to have been annihilated. The weather is favorable, and the battle against the heights east of Gorizia and on the Carso continues fiercely. Austrian counter-attacks are described in the dispatch as feeble.

(Canadian Press.)

New York, Nov. 3.—A news agency dispatch from Rome today says:

Waves of Italian infantry are crashing against the Austrian lines south of Gorizia in one of the most pow erful blows struck by Gen. Cadorna since Italy entered

BATTLING FOR HEIGHTS.

Following up their successes southeast of Gorizia the Italians have occupied a mile of the Gorizia-Vogersko railway, and are battling on the heights near Kemperlisce. It was in this region that the majority of the 4,731 prisoners reported in yesterday's official statement were captured.

Further south the Italian centre broke three the Austrian lines for an advance of nearly a mile east of Oppacchiasella. The artillery attack on the enemy's lines reached its greatest violence in this region. The

Austrian defences were pulverized. PREPARING DEATH BLOW

The battle is extending southward to the Adriatic The Italians are attacking Austrian lines northwest of Duino, an important railway point called by some military writers the key to Triest.

The opinion prevails here that Gen. Cadorna is preparing to strike a death blow.

Munitions Workers Under Arrest by Hamilton Police

Two Germans Held on Vagrancy Charge, But Believed to Face Charge of Plugging Shells Intended for Allies

[Canadian Press.] Hamilton, Nov. 3.—Eric Alexan-der Nylin and his son, Eric H Nylin, munition workers at the Bowes Jamieson plant, are unde errest on a nominal charge of vag-rancy, but they are really accused of being enemies of the king and may have to face a charge of high treason. It is alleged that they plugged shells in a way to make them dangerous when handled by to be Serbians

Safer in Jail. The police refuse to discuss the case, but Magistrate Jelfs, in refusing bail in any amount, made will be safer in jail for you than outside, when the people learn the facts." Magistrate Jeffs, after court, said he was given to understand that the prisoners were German Swedes and not Serblans. He said that if such a thing oc-curred in the States and the pub-

get hold of the prisoners, would be lynched. Dangerous Shells covered the evidence on which the arrests were made, claims tha hundreds of dangerous shells have been made as a result of the in-terference of the men, and that many of these have already

any damage is done.

Nylin and his son were well dressed when they appeared in court and did not bat an eyelash when the magistrate told them Even stricter precautions will be taken in all the big munition plants as a result of the discovery. Thousands of foreigners are employed, and it is feared ar them may be German agents work.
