Locals Expect Win Over Glencoe Six

are in Great Shape For First of the Semi-Final Games—Tackberry Will Handle the Game.

For the third time this season the intermediates tonight appear before the Glencoe fans, and this time in a semi-final with Glencoe. Hockey is on the boom locally, and one of the biggest crowds of the season may be expected to watch the intermediate team in their first journey into the semi-finals of the O. H. A.

Lake trout of the teams that the town of the Glencoe team except that they have the whole-hearted support of the village full of red-hot fans, a good many of whom will accompany the team here for tonight's game. They have been playing good hockey in their district, but just what brand of hockey means will be shown in this game. A veteran, who played for London last year, is playing centre for the visitors tonight, and his work will interest a bunch of local fans. The locals have been digging into the pocket since their last appearance here against Watford, and are in better shape than at any other time this season. The district gave them little trouble, but they know now that they are up against the real thing and have worked accordingly. The few appearances they have made here, have impressed the fans with the fact that London is represented by one of the speediest crews that ever represented the city in the O. H. A., and for tonight's game, they expect some real team work of the variety that will make the team look a greater factor than they have been, for the honors of the intermediate section this season. W. Tackberry has been slated to handle tonight's game, and from his work heretofore can be depended upon to make both teams play hockey for the full sixty minutes.

LINDSAY SIX ANNEX DISTRICT HONORS IN FAST HOCKEY GAME

Defeat Peterboro Juniors by a Score of Seven to Four.

LINDSAY, Jan. 29.—By defeating Peterboro Juniors by the score of 7 to 4, the Midgets annexed the district honors by five goals here tonight. The game was fast and furious, Referee Whitehead being quite lenient. The Midgets used their weight effectively on the Peters. Lindsay had the better of the score in every period, but the visitors battled hard in the first 40 minutes. Garnett, the husky defence player, was the star. Bell and Stoddart also did well. Sheehan of the Peterboro defence was their best man.

The local rink didn't look like winners for the first part of the play, but made a remarkable spurt in the eighth, and romped in five shots up on a 17 to 12 score. The McLaren trophy, which was contested by Anderson's Thistles and W. Lockwood's St. Thomas Granites, was won by the latter, 16 to 10, in a remarkably close game.

Biggest Crowd of Season Watch Great Game in Border Town's Circuit.

SARNIA, Jan. 29.—Grand Trunks and Imperials were winners in the City League games tonight before the largest crowds that have yet turned out to watch these games. In the first game no scoring was done until 40 minutes had slipped away, when McClellan started the scoring for the winners by hitting in two. Tesky followed with the third from outside the defence. Cully in goal defied the veterans' best efforts to score. Imperials had a real game on their hands against Point Edward. John, for the Imperials, did some wonderful net minding, and all-round teamwork was much improved. Burgess and Melton were the outstanding workers of the winners. Bill McCarr refereed and J. Simpson was judge of play.

TILLSONBURG FANS ARE STRONG FOR THEIR JUNIORS

TILLSONBURG, Jan. 29.—London's win over Woodstock has instilled unbounded enthusiasm into the hearts of local hockey fans, and have no doubt that the team that meets Tillsonburg will have to travel the full 60 minutes to win the group honors. St. Thomas plays the final game here on Monday evening, and although the locals expect a strenuous game, they fully expect to win the game and be ready to go into the scrap for the group honors. The local kids are in the pink of condition, and if they play their usual ice at Ingersoll local fans will run a special train to the Park Town, and half of the town will go to watch the game. This Friday evening the 14th annual tournament of the Southern Counties League opens, and the present Junior O. H. A. captured the three-year trophy last season, and decided to go after O. H. A. honors this season. It is a safe bet that the team that beats Tillsonburg for the group honors will know they will have been playing hockey.

STRAFORD SENIORS DEFEATED MITCHELL BY SCORE OF 5-1

Game Well-Contested and More Even Than Score Indicates. STRAFORD, Jan. 29.—In a fast and tight game of senior hockey tonight the local team walked away with the Mitchell bunch. The game was not as lop-sided as the score would indicate. The game was good and both teams showed good form. The score at the end of the first period was 1 to 1, and at the end of the second was 3 to 1 in favor of Stratford. The final score was 5 to 1, and Stratford was still playing strong. Good combination was a feature of the game, and although it tended to be routine at times, only one man was laid out. He was Russell Lavelle, who rammed the goal tender, sustaining injury to his stomach in the first period. He was on the ice again in the second period, and in the last stretch played a real good game of hockey.
