Attractive Waterproof Coats for Women at \$22.50

With "Zambrene" garments there is none of that cold, clammy feeling you associate with rubberized fabrics. On the contrary, they keep you warm and are snug and dry inside. Further, they can be dried at a fire without injury to the fabric.

Almost any fabric can be "Zambrene" treated, so naturally you will expect to find tweed prominent, and you would be correct. They're here a-plenty in rough Harris tweed effects, also in smoother weaves almost bordering on a worsted. Come in greens, greys, browns, fawns and tans.

Every coat is full length, loose fitting, made with a Raglan sleeve, turned or strapped cuff and usually a collar that buttons close up to the neck. Excellent coats are marked at **\$22.50, \$25.00 and \$27.50.**
