The Panama Canal has cost \$55,000,000 on only the preparatory stage of building the locks.

There are 44 John streets and 35 St. John Streets in the county of London, England, and it is suggested that some of them should be re-named.

The Salvation Army seeks incorporation from Parliament. Faith, hope and charity should be all the time, but what's the use now that there's an extradition treaty and fugitive law?

The other day the mercury was one hundred and twenty-five degrees in the shade in New Zealand. As it was forty-eight degrees below in Winnipeg the same day it will be seen that the thermometer never sets on the British Empire.

NATIONAL MISSIONARY CONGRESS

Much attention is being given by the Churchmen of Canada to a National Missionary Congress to be held under the leadership of the Laymen's Missionary Movement in Toronto, March 31st to April 4th. The non-Catholic churches of the entire Dominion are entering most heartily into the preparation for the Conference which will give Canada the leadership among the Christian nations of the world in the adoption of a National Missionary Policy. Sessions will be held for five days in Massey Hall and strong delegations from all over the Dominion will be present. The conference will be held each afternoon with other conferences for women, college students, Sunday school workers and others.

The United States will be invited as Honorary Commissioners and a number have already promised to attend. Mr. Robert E. Stewart of New York, possibly the best known of all the American Secretaries, will be present and is on the schedule for at least three different addresses. Prominent laymen from Boston, New York and Washington will also be present, and one of the interesting features of the Congress will be the report from several of these men who have recently visited a number of mission fields as Commissioners for the Laymen's Movement.

IRREGULARITY OF THE BOWELS
MILBURN'S LAXA-LIVER PILLS

Any irregularity of the bowels is always dangerous, and should be at once attended to and corrected.

There are many cough medicines on the market that help to stop a cough, but they do it because they contain Opium, Morphine or similar drugs that simply quiet or deaden the irritability, but do not remove the cause. Such medicines do little or no permanent good and often create a deal of harm, particularly to children.

"Father Morrissey's No. 10" is made of Roots, Herbs and Balm, without a trace of Morphine or any other harmful drug. It goes straight to the root of the trouble and removes the cause of the cough. It restores lungs and throat to a healthy condition, tones them up, and makes them stronger than ever to resist colds and more serious diseases. Trial bottle, 25c. Regular size, 50c. At your dealer's or from Father Morrissey Medicine Co., Ltd., Chatham, N.B.

Left to themselves, most "Common Colds" will run their course and depart. But they leave reminders in the shape of lingering, irritating coughs and weak throats and lungs.

AT DEATH'S DOOR

Doctors had to give her Morphine to ease the pain

Five boxes of "Fruit-a-lives" Cured Her

ENTERPRISE, Ont., Oct. 1, 1908.

For seven years I suffered with what physicians called a "Water Bruise." I would get so bad at times that I could hardly endure the pain. I could neither sit, stand, nor lie down. Hypodermics of Morphine had to be given me or I could never have borne the pain. Many physicians treated me, but my cure seemed hopeless, and my friends hourly expected my death. It was during one of these very bad spells that a family friend brought a box of "Fruit-a-lives" to the house. After much persuasion I commenced to take them, but I was so bad that it was only when I had taken nearly two boxes that I commenced to experience relief. I kept up the treatment, however, and after taking five boxes I was cured, and when I appeared on the street my friends said, "The dead has come to life." And this seemed literally true because I certainly was at death's door. But now I can work almost as well as ever I could, and am happy and free from the pain.

I will be glad if you will publish this testimonial, if it will further the interests of "Fruit-a-lives." They should be in every house.

Yours very truly,
MRS. JAMES FENWICK.

Through the whole country around Enterprise, Ont., people are talking about this wonderful cure. By their marvelous action on the kidneys, "Fruit-a-lives" cured Mrs. Fenwick when the doctors said she could not be operated on and was doomed to die. "Fruit-a-lives" cured Mrs. Fenwick when all else failed. Try them for your trouble. 25c. and 50c. a box, at dealers or sent postpaid on receipt of price. Fruit-a-lives Limited, Ottawa.
