DALHOUSIE

Dalhousie, July 1st.—Miss Margaret Wright, Rexton, N. B., who has been teaching successfully in the Dalhousie Superior School, has received an appointment on the staff of the "William Dawson" School, Montreal, consequently she has severed her connection with our public school. Besides an address which was presented to her by the pupils of her department at the closing exercises on Thursday last, accompanied by a beautiful fountain pen, with her name engraved on it, she was honored on Friday evening, by the visit of about twelve representatives of the Women's Institute, of Dalhousie. Miss Wright having been Vice-President of the Institute, was presented with a magnificent bouquet of Scotch roses and a silk umbrella. The ceremony took place at the home of Mrs. Ed. Shirley, ice cream cake served.

Following is the address that was presented by the members of the Women's Institute on this occasion.

Dear Miss Wright: It is with feelings of deep regret that we the members of the Dalhousie Women's Institute, realize that we are to lose you from our circle. We shall miss your cheerful greeting, your pleasant and sympathetic comradeship. This little gift we present to you as a token of our appreciation of your services, your untiring efforts, your quick response, ever ready and willing to assist in work for Home and Country.

The address in the School was read by Billie Mott. To both addresses Miss Wright spoke with feelings of regret at leaving Dalhousie. She would never forget the great kindness that had been extended to her.

The pupils of the Dalhousie Grammar School presented Mr. E. C. Mowatt, the Principal, who is leaving this term, with a testimonial and a camera. Arthur Coleman read the testimonial and Marjorie Connacher presented the camera. The affair took place Thursday afternoon, in the presence of the pupils, parents and friends.
