CALL AND SEE THAT

I am manufacturing on the premises and I am certain you will be convinced it is the best value in the Dominion. Some may not understand how I sell a fine fashionable. Hat at the price, but it is very simple. I pay no duty on the Silk Plush or Trimmings used in the manufacture of it, as I import them direct for use in my Factory, thereby making a saving of from 25 to 35 per cent, on the cost, which goes to the benefit of the purchaser, whereas Hats that are imported the importer pays duty on the labor, trimming, boxes, etc., making the cost very high.

Don't forget to see this Hat before purchasing elsewhere. Fine Furs on view and for sale the year round.
