She Was Willing to Give Up All. She Was Willing to Give Up All.
When Queen Elizabeth of England found death approaching her she cried despairingly. "All my possessions for a moment of time." There are wealthy ladies to-day, the world over, who would gladly exchange their riches for sound health. Many are made well and happy by Dr. Pierce's Favorite Prescription, a never-failing cure for diseases so common to women. As a corrective for all functional weaknesses it is of universal repute among the sex, and thousands of pale, worn-out, enfeebled, victims have been changed into vigorous women and girls by its use. Guaranteed to give satisfaction or price refunded. Druggists have it.

Mr. John Blackwell of the Bank of Commerce, Toronto, writes: "Having suffered for over four years from dyspepsia and weak stomach, and having tried numerous remedies with but little effect, I was at last advised to give Northrop & Lyman's Vegetable Discovery a trial. I did so with a happy result, receiving great benefit from one bottle. I then tried a second and a third bottle, and now Lifind my appetite so much restored and stomach strengthened that I can partake of a hearty meal without any of the unpleasantness I formerly experienced."
