NOTHING TO EQUAL

BABY'S OWN TABLETS

Mrs. Georges Lefebvre, St. Zenon, Qus., writes: "I do not think there is any other medicine to equal Baby's Own Tablets for little ones. I have used them for my baby and would use nothing else." What Mrs. Lefebvre says thousands of other mothers say. They have found by trial that the Tablets always do just what is claimed for them. The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach and thus banish indigestion, constipation, colds, colic, etc. They are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams' Pink Pills Co., Brockville, Ont.

ANDROCK CORNER Contributed by The ANDREWS WIRE WORKS OF CANADA LIMITED

Hurray for the prospects of paving Main street. Miss Geraldine Durston was unable to be with us for a few days last week owing to having had her tonsils removed.

Our shipping force has just got away our eighth car of Horse Nose Guards to Western Canada from Strathroy since January 1st. Now having four machinists in our machine shop, our equipment is far failing to prove adequate, so the management has purchased a new high-class Walcott Tool-makers Lathe with an eight foot bed and eighteen inch swing which will be a very valuable addition to this department.

What!!! What's all this we are hearing about one of our returned boys, who, when invalided in Blighty, and on being questioned by a sympathetic old lady as to "having had to come through some pretty tight squeezes", replied blushing. "Well ma'am, the nurses have been pretty good to me."

Our gardener says "If we get things fixed around here like the Manager says, he would like them, we'll have a regular Garden of Eden." We think this is a fitting comparison for we have heard about the canaries in the factory and ask the office staff about those sparrows. And when we get the flowers, it will be complete—but ah me! I forgot—where's Adam and Eve?

The place who are interested in the condition of the road out on "The Fourth Line", and very soon now, if you stick around and listen you'll hear this sweet refrain from "One" or "The Other"—maybe "Both"—"This Ford is my Auto, I shall not want another. It maketh me lie down underneath, It leadeth me in the paths of ridicule for its name's sake, Yea, though I ride through the valley, I am towed up the hills, I fear much evil for my rod and engine discomfort me, I anoint my tires with patches, my radiator runneth over, I have a blow-out within the presence of mine enemies, Surely if this thing follows me all the days of my life, I shall dwell in the bughouse forever. Our Manager, Mr. Bates, has just returned from a conference at the Wire Goods Company, Worcester, Mass., and while many momentous matters were discussed, he also brings back to us vivid stories of a "Sports Evening" held in the gymnasium of the Y. M. C. A. in which every member of the Company participated, and to give us an example got inveigled into a Kiddie-Car race with a bunch of other titled members. However, he reports everybody had an enjoyable time and thinks it would be a fine idea for us to have a "Sports Evening" next fall or winter.
