

We have to apologize this week for lack of Editorial notices, in consequence of the absence of Mr. Smith, who left this town early yesterday, with the St. Andrews and Quebec Rail Road exploration party. We trust however, that the addition to our stock of topographical information likely to be obtained thereby, will amply compensate the Public, for any deficiency of matter until his return.

FIRE.—We are sorry to learn that the Saw Mill belonging to Geo. McKenzie Esq. on the Macadavie River, was consumed by fire, and two men who worked in the mill perished in the flames.

TO THE PUBLIC.

WE The Undersigned having heard that numerous are about to be sent to the character of the Branch Pilots out of the Port of St. Andrews N. B. as a Body, think it necessary to state that several qualified Pilots, at sundry times, offered their services in the line of their profession, to Masters Commanding vessels, owned by Nehemiah Marks, Esquire; and that these services have been uniformly rejected. On a recent occasion Capt. Hutton of the Nehemiah, in reply to several of our number who offered him their services, stated that Mr. Marks would not allow him to take a pilot as the vessel was not insured. We are of opinion that in consequence of the Nehemiah having no Branch Pilot on board, she went ashore on Saturday the 24th August last.
