For sale by Dr. W. C. McStay St. Andrews.

HEADACHE.

CERTAIN CURE FOR SICK HEADACHE, which has been in families a very long time, and is a constitutional family complaint, and has cured, effectually in every instance yet known, amounting to many hundreds. It is not unpleasant to the taste, and does not prevent the daily avocations of one using it. It must be persevered in, and the cure is gradual, but certain and permanent. Instances are constantly multiplying where this distressing complaint is completely relieved and cured, although of years standing, by the use of Dr. Spon's celebrated remedy. One decided preference is its pleasantness, having none of the nauseating effect of common drugs.

It is so perfectly satisfactory, that the proprietor has given free to his agent to refund the price to any one who is not pleased with, and even cured by it. He hopes also that this may secure its great benefits to the distressed sufferers who are labouring under headache.

E. Solon, M. D. Inventor and Proprietor. COYSTOCK & CO., 71 Maiden Lane, New York.

MYSTERIOUS.

A gentleman belonging to one of the most ancient and wealthy families of this city, who must be well known to numerous friends, having since the year 1815 up to recently, been bent nearly double, and for several years confined to his bed, has been restored to good health—has regained his natural vigour, and has resumed his carriage, and now walks with ease. We believe this is the gentleman's own description as near as possible, and there is no exaggeration in it. We will give inquiries his address, and doubt not his humane feelings will excuse the liberty, so that any one doubting may know these facts—though he requests his name may not appear in print. Among other similar instances, Mr. James G. Reynolds, 144 Christie street, has been restored, and will give personal assurances of the facts of his case. Both were Rheumatism, and contracted cords & sinews. How has this been done?

Answer.—By the Indian Vegetable Elixer internally, and Heriz-Vere and some Liniment externally. Sold only by COYSTOCK & CO., 71 Maiden Lane, New York.

\$100 REWARD.

ONE Hundred Dollars Reward has been offered for months, to any one who will use a bottle of Hays Liniment for the Piles without being cured. On no account will, in no one instance, be failed of a cure. Proof overweighing to be had wherever it is sold. It is also a certain cure in nearly every case.

(Externally) in the following complaints: For the Tightness of the chest, especially in children. For all Dropsy. For Ulcers of the legs, or other fungus sores, however obstinate or long standing. For Whooping cough, Scald Head, &c. &c.

LOOK OUT.

Some scoundrels have counterfeited this article and put it up with various demises. Do not be imposed upon. One thing only will protect you—it is the name of COYSTOCK & CO. that same must always be on the wrapper, or you are cheated. Do not forget it. Take the direction with you, and test by that, or never buy it, for it is impossible for any other to be true or genuine. Sold by Coystock & Co., 71 Maiden Lane, New York.

Double the Quantity and Better Quality than any other for the same price!!! Remember this.

LIVER COMPLAINTS AND ALL SICKNESS AND DISEASES, DR. LIN'S TEMPERANCE LIFE-BITTERS, AND CHINESE BLOOD-PILLS.

The greatest Secret discovered!

PURGE—purge—purge—has been the cry for the last few years. This has been effectually tried, and yet sufferers have multiplied—and died—and why? Not because purging was not necessary, but because it has been done without the tonic to follow, and sustain the system. Purge, you must! The sickly humours of the blood must be carried off—or the accumulation of them prevented. Prevent, then, the growth of such humours.

Why do the Chinese to such immense ages, and still retain the powers of youth or middle age?—Because they purify the blood. The Chinese Blood Pills—so called because they work upon and cleanse the blood—are the standard remedy. Take these pills and butters. Take weekly the pills and daily the bitters, and if you are or have been invalids for days, weeks, months or years, you will find the sickly humours drawn off, and prevented from a return, and the salutary glow of health & youth full buoyancy.

There are cases so numerous of these brilliant effects, that time and space forbid an attempt to put them down. Buy and use these medicines, and use as often, and health and strength shall be yours. See wrapper and directions that come with them.

FRAUDULENT COUNTERFEITS will be attempted. Buy no remedy of the kind unless it have my name—O. C. LEE, M. D.—on the wrapper, and also notice as follows: Entered according to Act of Congress, A.D. 1841 by Thomas Conner, in the Clerk's Office of the District Court of the United States, for the Southern District of New York.

Meers Coystock & Co. New York, are the sole wholesale agents for the United States and all neighbouring countries. DOCTORS CLIN.

TO THE OLD AND YOUNG. HO! YE RED HEADS & GREY!

PHENOMENON IN CHEMISTRY. EAST INDIA HAIR DYE. Colors the Hair, and will not the Skin!! This dye is in form of a powder which in plain matter of fact may be applied to the hair over night, the next morning the lightest red or grey hair to a dark brown, and by repeating a second or third night, to a bright jet black. Any person may dye their hair with the least possible trouble, keep his hair dry dark shade or a perfect black, with a positive assurance that the powder, if applied to the

skin, will not color it. There is no trouble in re-arranging it from the hair, as in all powders before used. By an occasional application, a person turning grey will never be known to have a grey hair in his head, and the article. There is no coloring in this statement, as one can easily test.

These facts are warranted by the gentlemen, who manufacture it, who is the celebrated chemist, Dr. Comstock, author of Comstock's Chemistry, Philosophy, and many other works well known and widely celebrated by the public.

This dye is sold only by COMSTOCK & CO. 71 Maiden Lane, New York.

OLDRIDGE'S BALM OF COLUMBIA.

THIS article was first introduced into New York market about twenty years since, and from its superior virtues in reproducing hair when it had fallen out, keeping the head free from dandruff, (a most loathsome article on a gentleman's coat collar,) and giving a softness and beautiful lustre unknown before to the hair, has induced some persons to set up and advertise many other articles for the same purpose, none of which stand the test of trial, professing as most of them do, to be Oils of various kinds, all of which are positively injurious to the human hair. Let none be deceived, no other article will make the hair grow rapidly and of a good quality but the Balm of Columbia, and no article purporting to be the Balm of Columbia is genuine without the name of COMSTOCK & CO. on the outside wrapper. Some have been deceived, and obtained a counterfeit article for the true and genuine Balm of Columbia. Remember to look for the name of COMSTOCK & CO. on the wrapper, before you purchase, and get none but the genuine. Don't be deceived with the assurance that and without that name is made in the same way, any is just as good, all are equally efficacious, and known to be so by the counterfeiter.

THOMAS SIME. St. Andrews, Jan 5, 1842.

WILLMER AND SMITH'S EUROPEAN TIMES, AND United States, Canada, West Indies and South American Intelligencer.

THE object of this Publication is to present a striking and faithful abstract of all events occurring in Europe or elsewhere, interesting to the citizens of the U. States, Canada, the West Indies, and South America, made up the hour at which the Steamers and Packets sail.

The leading feature of the European Times will be a carefully digested abstract of General News, Correct Returns of the principal British and Continental Markets, Arrivals and Sailings to and from all Ports of the above countries,—in short a GLANCE at every circumstance in which the Merchant, the Manufacturer, the Trader, and the Citizen generally can take an interest.

The Value of such a Publication must be tested by its accuracy. No pains will be spared to make it in that respect unexceptionable. Community, who are now obliged on the arrival of a Packet Ship or Steamer, to wade through files of Newspapers, extending, not unfrequently, over Fourteen or Sixteen Days, for information in which they are most interested, can hardly fail, in this Cour d'oil of News, to find their labor abridged, and their wants and wishes immediately gratified.

The European Times is not intended to supersede so much as to accompany, the more ponderous files of the London Daily and other Journals, to which it will act as a kind of pilot balloon; the condensation of every item of news will be apportioned to its relative importance, leaving the levities of the press until time and opportunity enable their readers to meander, without inconvenience, through their ample and voluminous pages.

The European Times will be edited by a Gentleman long connected in an editorial capacity with the Liverpool Press. Parties who are desirous of bringing New Inventions, Works of Arts, or subjects of general

interest, under the eye of the American public, may address him personally, and depend upon his services.

The price of the European Times will be \$4 per Annum. All Orders to be addressed with remittances or reference for payment, to Messrs. Willmer and Smith's Express Newspaper Office, Church Street, Liverpool.

Subscriptions will be received at all the Offices of Messrs. Hardin & Co. in the United States.

Communications for the Editor may be addressed to Mr. John Dignan, 5 South John Street, Liverpool. January 27.
