Cut Knife Creek Fight ADDITIONAL DETAILS OF OTTER'S FIGHT

Battleford, May 7. - Now that the our possession. At last the guns, first excitement occasioned by the bat, which had fired 108 shell, were found tle at Cut Knife Creek has somewhat to be unserviceable, and at a quarter to subsided and calmness has to a certain one the order to withdraw was given. WARE ROOMS, extent returned to the troops and after securing our dead and wounded, settlers of the town, I am enabled to send you some further details of the Battleford. It was at this point that recent fight which escaped me in the hurry of sending off my former devapatches. It appears that the Indians, who had by means of runners, learned of our advance, had prepared a strong ambuscade for our reception, and at this time.

THE FIRST FIRE.

When the police appeared, scramble ing up the summit of the hill in ex- The funeral of the victims took place tended order, they were ordered to lie on Monday morning, with military down and fire a volley at the foe. 'B' honors. The entire command, besides battery, with its seven pounders and the local volunteers, turned out. The gatling gun, reached the ridge about bodies were interred near the Queen's the same time, and, supported by the Own's lines, between the fort and the garrison division poured a withering new town, near the graves of Fremont Household fire into the Indians, who were just and Smart who were killed by Indians emerging from the deep coules in front, some time ago. The Rev. Father and the mass of humanity who were Bigonesse, the Roman Catholic priest, pouring in vast streams from the and Rev. Mr. Layton, the Episcopa tepees on the hill behind. The havon dergyman, officiated, the services at committed by our fire was something the graves being very impressive and terrible, and wails of agony and rage imposing. 'C' company who acted as rent the air as the sharpnel shells burst the firing party, fired volleys over the over the heads of the enemy, creating graves. The ceremony was witnessed destruction in all quarters. Many by all the women and children in the Indians were seen to fall after the first fire, and the death of their comrades visible in the large assemblage. The appeared to madden the rebels into a band of the Queen's Own played the very frenzy of rage.

THE INDIAN ADVANCE. an advance on the part of the enemy, it being thought that we should have had difficulty to make them show themselves. The enemy still continued to advance, Major Short, who occupied the crest of the hill, in command of the men of 'B' battery, called for volunteers to repel the yelling and hereling haveled savages. Detachments when the Indians, finding the onslaught of our men too severe, wavered,
and turning their backs to the volunteers fied back to the coulee, being protected in their retreat by Indians conceeled under cover. A gallant handful of the men in the rester and his brayes.

One of the men in the rebel ranks was decked out in a policeman's uniform which was probably taken at the Fort plotograph.
