Export Cattle.—Choice loads of heavy exporters sold on Friday at \$4 85 to \$5, with light exporters bringing \$4 50 to \$4 65 per cwt. Some choice ones brought 10 to 15c. per cwt. more. Choice heavy bulls bring from \$3.75 to \$4 12½, and light bulls \$3.40 to \$3.60 per cwt.

Butchers' Cattle.—Choice picked lots of butchers' cattle, equal in quality to the best exporters, but not so heavy, bring from \$4.25 to \$4.35; good ones from \$4 to \$4.10, and medium at \$3.65 to \$3.85 per cwt. Common butchers' cattle bring from \$3.35 to \$3.50, and inferior \$3.10 to \$3.25 per cwt.

Stockers and Feeders.—Buffalo stockers were in good demand on Friday, selling all the way from \$3.25 for inferior to \$3.40 to \$3.60 for medium, while choice-bred steers bring as high as \$3.75 per cwt. Heavy feeders of good quality are not plentiful, those weighing from 1,000 to 1,100 lbs. bring from \$3.80 to \$4.15 per cwt. Stock heifers bring from \$2.80 to \$3 per cwt.

Calves.—These bring from \$2 to \$10 each, the bulk going at from \$5 to \$8 each

Milk Cows and Springers.—These are worth from \$25 to \$45 each as to quality.

Sheep and Lambs.

The sheep markets have been fairly active during the week. Offerings at Buffalo have been fairly liberal and trade fairly active. The receipts on this market have been fair, ewes selling from \$3.25 to \$3.50 and bucks at \$2.50 to \$2.75 per cwt. On account of a light run yearling lambs were firmer on Friday at \$4.50 to \$4.75 per cwt.

Hogs.

The deliveries on Friday were the smallest of the season, being about 300. Choice select bacon hogs sold for \$4.25 per cwt., light ones at \$4 and thick fats at \$3.75 per cwt. Drovers from all parts of the country report that many farmers are going out of hog raising because of the low prices, but we fancy this is not altogether correct, as there never was a greater demand for breeding stock of the bacon breeds than at the present time.
