GARDEN IMPLEMENTS AND TOOLS

THE dependable quality of the garden tools we sell makes them worth double their price. Their actual cost is just a trifle more than the cheap kind offered for sale at bargain prices. The use of well made tools and the knowledge that they will last for years, gives a satisfaction that cannot be experienced in using inferior tools. We carry in stock everything necessary for use in large or small gardens, from Planet Jr. implements to garden labels, and every article sent out has our personal guarantee of its high quality.

Lawn Mowers and Rollers, Hose Rakes, Sprayers Trowels, Wheelbarrows, etc.

A complete list of prices is contained in our catalogue. Write us for quotations.
