RUPTURED PERSONS

Read this letter from another Toronto Citizen. To J. Y. Egan, Trust Manufacturer, Etc., 205 West Queen Street, Toronto Ontario.

DEAR SIR—I have been ruptured about thirty-three years. My sufferings during that time have been intense and can only be appreciated by those similarly conditioned. My business as carpenter and joiner (as all know) demands considerable muscular exertion, frequently have I been compelled to quit work, although at the time wearing Trusses made by the most prominent makers. I could not stand erect, and often had to lie down to ease my sufferings. All the Trusses I have worn have been utter failures. It has been one long round of misery and mental anxiety, loss of time and physical torture. About six months ago, thank God, I heard of your great success in the treatment of Rupture cases. The appliances you advertise gave me, I can well remember, a feeling of support never before experienced by me, and has so continued to the present day. I am now comparatively a new man. Previous to this I could not stoop to tie my shoes, so matter what Truss I had on, if I got all Toronto, without my rupture coming out. To add to the difficulty I have suffered with a violent cough for years, but in the face of all this your grand appliance has held me secure all the time while doing the hardest work. Only two days ago I carried a bundle of green shingles up on a two-story building and got a "badge." I never could or dare attempt such a thing before without danger of my life. To crown all, I have worn and continue to wear your appliance with great comfort, for all of which I feel deeply indebted to your skillful treatment. Very truly yours, 125 Teruley St., Toronto. DONALD MCKINNA.
