

NOTICE.

THE Financial Association OF ONTARIO.

The dividend for quarter ended March 31, at the usual rate of EIGHT PER CENT. per annum, on both the PREFERENCE AND ORDINARY CAPITAL will be payable on the 23rd inst.

Another quarterly dividend will be declared in July next, after which dividends will be paid half-yearly, in January and July. It has, heretofore, been deemed advisable to do so quarterly, as shareholders and intending subscribers would, naturally wish to have the opportunity, at moderate intervals, of ascertaining the degree to which the Company was meeting with success...

The issue price of Preference Stock has been advanced to THREE AND A HALF per cent. premium, equivalent, at the minimum rate of dividend, to a return of 7 1/2 per cent. per annum, on the amount invested.

The amount of stock now subscribed, and applied for, exceeds a quarter of a million dollars, on which an average of over forty per cent. has been paid in.
