

The Kahn Trussed Bar

The Kahn Trussed Bar

is the backbone of modern **reinforced concrete** construction. By scientifically conducted tests and in practical use it has proven its superiority over all other forms of reinforcement. Plans furnished and inquiries answered by our engineering department without charge.

IDEAL RAILWAY FENCING

MADE TO LAST

Large gauge (No. 9) hard steel wire is used throughout, decreasing cost of maintenance, insuring durability and serviceability.

IDEAL FENCE has been adopted as a standard by all the leading Railways in Canada. More IDEAL is used by Railways this year than all other makes combined.
