Total	733	530

Number of cars inspected as previously reported.5,273. Total number of cars inspected from September 1 to January 2nd, 6,536. The number of cars inspected for the same period of last year was about 3,600.

British Grain Trade.

The Mark Lane Express of Jan. 4, in its weekly review of the British grain trade says: English wheat has been selling at a decline since Christmas, and the mean value of prices during December were 5d below that of Novem ber. The average for the entire year, however, shows an advance of 5s, 4d on the figures of The fact that the Am rican wheat surplus of 1891 is the largest on record is advanced as an argument of ultimate firmness. Foreign wheatsold slowly, but on the average wrs firm. The imports of wheat and flour for the last four months have met the whole inquiry without having recourse to home-grown wheat. The trade in spring grain has been slightly in favor of buyers.

On Monday, January 4, English wheats were held firmly. Foreign wheats showed no improvement, large stocks requiring to be worked off Barleys were steady with an improved retail demand. In the market for oats prices were firmly maintained. The market for Indian corn was in favor of buyers.

The wholesale dry goods house of P. Hudson, Montreal, has suspended payment. The liabilities are \$100,000.

A. Paterson & Co., wholesale milliners, Montreal, have assigned. The liabilities are \$55,000 and assets nominally the same.
