MINING AND QUARRYING INTELLIGENCE.—We are informed that Charles D. Archibald, Esq., and the other proprietors of the Londonderry Iron Mines, have sold that valuable property to an English Company for the sum of £40,000. Mr. Archibald is about opening up, on a large scale, a new and extensive stone quarry on the Pettodias River, in Westmoreland County, N. B.—Chronicle.

Vols. III. and IV. of "Macaulay's History of England," are on sale by the Publisher of this Paper, at his Bookstore, 24 Granville Street. They are Harper's superior edition, and after the expenses are paid and the duties on reprints, we are assured that the importer does not realize more than 74d. per volume. This superior edition can therefore be had by retail in Halifax, at a less cost, than it could be purchased from Harper's in New York. Persons who purchase it can do so with the certainty of being able to procure the 1st and 2nd volumes also, and all the new ones that may be issued subsequently to the fourth, of a uniform size and type, making them an unexceptionable set for a library.

A Bazaar, in aid of the funds of the Halifax Mechanics' Library, under the patronage of Lady LeMarchant, took place at Masonic Hall, on Thursday, 14th inst. The affair has been most successful—about £250 having been realized. Many thanks are due to the ladies of Halifax—who are always the first to lend a helping hand in cases of extremity—for their praiseworthy and gratuitous endeavors to forward the affair, to the result of which they can look with pleasure.

LETTERS RECEIVED.

From J. B. Bonnett, Bridgetown, with £1—have only the 3rd and 4th vols. of Macaulay on hand; vols. 1 and 2 we are daily expecting.—The other Books will be sent. Rev. T. D. Riddell. Rev. D. W. Pickett—attended to.—Rev. J. S. Smith—will be attended to. Rev. J. Alexander—attended to.

ASK ANY ONE WHO HAS EVER USED DR. M'LANE'S CELEBRATED LIVER PILLS, PREPARED BY FLEMING BROS.

What they think of them! Ninety-nine in a hundred will tell you they are the best Pills for liver complaints, sick headache and dyspepsia that they have ever used. Read the following from one of our most respectable citizens:

New York, August 2, 1852.

I do hereby certify that I have been suffering from a pain in my side and breast for a long time, and after trying many remedies came to the conclusion that my Liver was affected. I immediately commenced using Dr. M'Lane's celebrated Liver Pills, prepared by Fleming Bros. of Pittsburgh, and the few that I have taken have already given me more relief than all the other medicines I have taken put together: I went to a clairvoyant to consult him; after he had examined me carefully, he advised me to continue the use of Dr. M'Lane's Pills, that they would effectually cure me.

W. W. PHILIPS, No. 2 Columbia place.

Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED LIVER PILLS, manufactured by FLEMING BROS. of Pittsburgh Pa. There are other Pills purporting to be Liver Pills now before the public. Dr. M'Lane's genuine Liver Pills, also his celebrated Vermifuge can now be had at all respectable drug stores. None genuine without the signature of FLEMING BROS.

Sold in Halifax by Wm. Langley and John Naylor.

HOLLOWAY'S PILLS, the most certain cure for Liver and Stomach complaints.—Mr. Charles Bingley, of Gnyshoro' Nova Scotia, was a severe sufferer for upwards of eight years with a diseased liver—the faculty informed him that one part of it was entirely gone, and it was only by the most abstemious living and retirement, that he could hope to remain long in the land of the living. He went to England for the purpose of consulting the most famous physicians, when he was told the same thing by several of the faculty there. A friend, however, to whom Mr. Bingley mentioned the circumstance in confidence, recommended him to give Holloway's Pills a fair trial, which he did, the result was, that by persevering with them for two months, he was completely cured, and has since resumed his duties, enjoying the best of health.

A SOVEREIGN IN MEDICINE.—Mr. Gerry the well known Operative Chemist and Apothecary, has succeeded in making his Personal Tablets the most certain and agreeable remedy for consumption and Lung Diseases, ever known. Instead of wasting their energies in the stomach, the active principles of the Tablets go direct to the diseased organs, and in all curable cases, never fail. A more efficacious and elegant remedy we do not know. Price one shilling sterling at the Medical Warehouse of G. E. MORTON & CO.

WORMS AND FITS!! It is a singularly happy circumstance that Convulsions in Children are owing solely to the presence of worms. Happily for the little sufferers, these parasitical animals can easily and speedily be expelled by a few doses of BURLAN'S TASTELESS VERMIFUGE, which no infant will refuse to swallow. It is a Syrup containing the active principles of Vegetables only, and unlike Mercurial Pills or Turpentine, is perfectly safe in its operation. Hundreds of Children have died of this distressing malady, but a certain cure is now at the option of all. In Bottles at One Shilling sterling, by the principal Druggists, and wholesale in Halifax by G. E. MORTON & CO., at the Medical Warehouse.

A GREAT FAMILY MEDICINE!! It is of the utmost importance that House-holds, especially such as are at a distance from Medical Advice, should keep by them a medicine that will control and cure the various ailments common to domestic life. Such a Remedy is GERRY'S CAMOMILE PILLS, which are a certain cure for all disorders of the Stomach and Liver, and those disturbances of the bowels that are produced by improper food, or changes of weather or climate. In the diseases of Children they are very efficacious and perfectly safe. A bottle of these Pills may save many a Physician's fee, for taken in time they prevent dangerous and fatal complaints.

In Bottles, 1s. sterling each. Sold wholesale, in Halifax, at the Medical Warehouse of G. E. MORTON & CO.

NEWPORT, Jan'y 10, 1856.

THE Parish Church of Newport being in a very dilapidated state, and beyond repair, the Parishioners are desirous of erecting a new Church on the present site.

As this is an undertaking of some magnitude, and the Church people not being numerous, we would earnestly appeal to the sympathies and support of our friends and fellow Churchmen abroad.

It has been proposed that we hold a FANCY SALL in the month of September ensuing. We would therefore gratefully accept such assistance towards this object as our friends may be disposed to afford either in material or money.

Contributions sent to the Church Times Office, or to the Bible & Tract Depository, Barrington Street, Halifax, or to Miss SPIKE, Newport, will be most thankfully received. Wm. Gossip, 24 Granville Street.
