Latonia Derby Entries

The historic Latonia Derby will be
run off this season on Saturday, June
13. This is the sixth day of the com-
ing meeting at Latonia, which begins
on June 8 and continues for 24 rac-
ing days. This great race was first
run off as the Hindoo Stakes in 1833,
the season the Latonia track was first
opened to the public. It was first run
as the Latonia Derby in 1837, and it
holds an unbroken record since 1884
to the present time, having annually
been the feature of the late Spring
and early Summer meetings of the
beautiful course among the Kenton
country hills of Kentucky.

It is the one early Derby race
which is always run at a mile and a
half, the distance of its English
namesake. The subscription this
season is \$25 each, with \$100 addi-
tional to start, which, with the \$6,000
added by the Latonia Jockey Club,
makes it one of the richest three-year-
old events of the season. It is a race
in which winners in 1914 of \$3,000 ear-
ny five hundred pounds extra and
maidens are allowed seven pounds.
The corrected official entries in this
great race show 39 nominations this
season, and are made public now by
Secretary E. W. Maginn. They are as
follows:

A CLYDESDALE STALLION FOR SALE

Mr. J. W. Vance of Tavistock, Ont.,
is offering a splendid Clydesdale stal-
lion for sale in this issue. The horse
is five years old, a bright bay, good
feet and legs, sound and right and
weighs 1880 pounds. He is a sure
foal getter and a cheap horse at \$600
if sold at once. See the advertise-
ment and write for full particulars.

EDITORIAL

The King's Plate

The date for the running of the
King's Plate, Canada's feature rac-
ing event, is but a little over two
weeks away and interest is now run-
ning high. The King's Plate is an
annual fixture and is the oldest race
decided on the American continent,
having been run continually the past
fifty-four years. It is one of Cana-
da's richest races and is to this coun-
try what the Derby is to England
and the Kentucky Derby to the Unit-
ed States. The race is exclusively
for Province-bred horses, owned by
British subjects residents of Ontario,
and derives a national reputation
through the donation of fifty guineas
to the winner by His Majesty The
King. There is much fame attendant
with the winning of such a race and
it is more for the notoriety than the
monetary gain that many horsemen
are so anxious to saddle the winner.

Of the thirty-two original entries in
the race only five have been declared
out, and while there will no doubt be
others fall by the way side before the
23rd, there is plenty left to assure a
good field at the post. The Giddings'
three-year-old, Bee Hive, is the pub-
lic favorite on the strength of his
performances in the two-year-old di-
vision last year and should he contin-
ue to work well and hold his present
good form he will probably go to the
post a strong favorite. Mr. Gid-
dings has furnished the winner the
past two years in the splendid pair,
St. Bass, holder of the record for the
race, and Hearts of Oak and there is
a large following of the Oakville sta-
ble who believe that Bee Hive is
equally as good as either of his sta-
ble mates.

The spring has been a backward
one for training operations and only
within the past few days have any of
the candidates been let down any-
where near the pace they will be ask-
ed to set over the Plate course. The
Simcoe four-year-old, Mausolus, own-
ed by Mr. H. H. Roberts and in charge
of Trainer John Nixon, has out work-
ed any of the candidates and at this
date of writing looks real good. He
is a much improved horse and has
many admirers who believe he will
play a prominent part in this year's
renewal of the big race. He has
been an easy mile in 1:45 2-5 and fin-
ished the Plate distance in 2:15 2-5
eased up on the end.

Gold Bud, one of the Davies en-
tries, has started twice in the Plate
race and last year was third, being
beaten off about twelve lengths in
2:09 1-5, the time made by Hearts of

Oak, Vio Vode, entered by Mr. P. Gor-
man of Ottawa, was also a starter in
the race last year and finishing very
resolutely was beaten a head by Gold
Bud. He is a much improved horse
and possessing a rare turn of speed,
is pretty certain to prove a factor in
the race on the twenty-third.

Dark Rosaleen, owned by President
Seagram, and Slipper Day, entered
by Col. J. S. Hendrie of Hamilton, are
another pair that are highly regard-
ed. They were both good two-year-
olds and are thought to be the kind
that will go the route. While all the
talk is in favor of Bee Hive, it ap-
pears to us at this date to be an open
race, and we would not attempt to
predict the winner. The list of can-
didates that are still eligible are as
follows:

W. Bennett's (Toronto) b g Amphi-
on, 3, by Inferno—Court Maid II., 105
lbs.
