### SUNDAY SCHOOL PICNIC.

Owing to bad weather the Sunday School picnic to Oakville was not very well attended. For this reason, and also because some members of the congregation who usually contribute have not yet done so this year, there is a shortage in the funds. It is hoped that these will yet help to make up the amount. The Superintendent gratefully acknowledges the receipt of contributions from the following:—Mrs. Dick, Mrs. H. Hallett, Mrs. Lott, Mrs. Phillips (Beaty Ave.), Mrs. J. G. Hallett, Mrs. Boyce, Mrs. Silk, Mrs. Morrison, Mrs. Cratchley, Miss Coombes, Mrs. Pinkerton, Mrs. F. A. King, Mrs. Allen, Mrs. Heward, Miss Currey, Mrs. Davidson, Mrs. Rainey, Mrs. Taylor, Mrs. Lockie, Mrs. Graham, (Fuller Street), Mrs. Dunlop, Mrs. Hick, (Pearson Ave.), Mrs. Green, Mrs. Arthur Godson, Miss Ridout, Mrs. Sherman, Mrs. Adams, Mrs. Nash, Mrs. J. Smith, Mrs. Irvine, Lewis Smith, Mrs. Ewart, Mrs. Wise, Mrs. Westcott, Mrs. McKee, Mrs. S. S. Thompson, Mrs. Ashdown, Mrs. Radcliffe, Mrs. Robert McLean, Mrs. Lawson, Mrs. Laws, Mrs. Coulson, Mr. Woods, Mrs. Portch, Mrs. Wright, (Macdonell Ave.), Mrs. Helstrop, Mrs. Scholes, Miss Solmes, Mrs. H. McLean, (2nd subscription), Mrs. Bryan, Mrs. Wedd, Mrs. Wishart, Mrs. Aylesworth, Mrs. Lane, also one subscription per Miss Phillips, one in Church envelope No. "5," and 10 anonymously.

### SUMMER HELP IN THE SUNDAY SCHOOL.

It is hoped that those who can at all help in the Sunday School work during the summer will send their names to the Rector or Superintendent, or come to the Church at 3.15 Sunday afternoon. The Sunday School lasts exactly three quarters of an hour during the summer months, and if our people only knew how much time is wasted and mental and physical energy dispensed in finding teachers for all the classes these Sundays, we feel sure that many of them would devote an occasional Sunday to this work. If you can only come once or twice a month at all events send in your name. Though the School is small in summer there are always just as many classes to provide for as at the most crowded period.

### MISSIONARY LETTER.

Bruce Mines, Ont., June 2nd, 1897.  
My Dear Mr. Bryan,—

I beg leave to thank you and your people for the books, coat and surplice sent. It is so like you to send in that way, and so appropriate to the place and people. I go out 20 miles behind big rocks and mines, and lush, and away hidden in the back woods I see the "wee modest crimson topped flower," the obscure and humble settlers, some of them not having a Church of England Service for thirteen years, and the tears stream down the face, as old memories of far off lands are brought forth by it. The

pleasure of giving books to such is due to you. Again I thank you all.

Having you are very well,

Yours truly,

J. McCONNELL.

### PARISH NOTES.

—Taking advantage of the vacation, Wycliffe College is at the present moment undergoing thorough repair. This is done at the urgent request of the architect, who states that the improvements could not be "further delayed without lasting detriment to the building." A special appeal has been issued for financial help towards this work. It is to cost \$1,000. We hope that some of our people may be able to render a helping hand here.

—Do you take the *Evangelical Churchman* paper? If not, why not? It should be in every Church home. It is the evangelical organ of the Church in Canada. Its promoters are determined to place the paper in the forefront of religious journalism in Canada. Its reputation now for vigor and ability stands very high, but its promoters are bound to make it still higher. Want of space prevents our publishing the list of special inducements now offered by the publishers for new subscriptions, but we heartily commend the good work to all who can help in it.

—Our Jubilee Services on June 20th were enjoyable and profitable. The Church was suitably decorated; the music was appropriate; the attendance good. The Rector preached in the morning, and the Rev. Septimus Jones in the evening.

—At the closing Missionary Meeting, June 21st, under the auspices of the Gleaners' Union, about 45 were present. It was worthy a larger attendance. A most excellent address was given by Mr. N. W. Hoyles, Q. C. He spoke eloquently of the Queen's long and happy reign, but he showed how another, even the Lord Jesus Christ, had been reigning
