3½ Cents a day—

That isn't much money, is it?
About twenty-five cents a week or so.
And a man must be pretty hard up if he hasn't that much to spend every week.
Times are hard, they say; but if they are hard now to your family and yourself, what will they be to your family without you?
That's worth thinking about.
We think that no man should be without life insurance when it can be had at such a low rate as 3½ cents a day from the Manufacturers' Life, Yonge Street, corner Colborne, Toronto.
Write to us and we will give you all particulars.
