**Commercial Summary.**

EUGENE PROVOST, retail grocer, this city, is in trouble for the second time, and has assigned to two of his principle creditors. The business will be wound up.

The grain crops in the Ottawa district are still backward. The hay crop, however, was very large and of fine quality, and has all been harvested in good condition.

We regret to have to announce the death on Monday last of Mr. C. F. Smith, manager of the Quebec branch of the Bank of British North America.

A. B. SHERATON, dealer in carpets and house furnishings, St. John, N.B., is reported to have failed, owing from \$80,000 to \$100,000. The creditors are chiefly Canadian, and understood to be preferred.

A London cable says: It is estimated that the English home grain crop will be two million quarters less than last year. Some English papers are building hopes of an active grain competition from India and Siberia.

It is stated that the fruit crop of the Annapolis Valley, Nova Scotia, will be a failure this year, from various causes, among other, the prevalence of the canker-worm, late frosts and blighting winds.

THE Western Extension of the Canada Atlantic Railway is expected to be in running order next week, and a large business will probably be done in lumber to Montreal and the East.

JOSEPH NIXON, retail boot and shoe dealer, Winnipeg, is seeking an extension, and will shortly visit this city to interview his principal creditors. He bought heavily in the Spring, and sales having been small, is understood to be carrying a large stock.

The firms of Smith, Burch & Co. and C. H. Cordingly & Co., of this city, have amalgamated, but will still continue under both firms' names as heretofore. Mr. Smith will take to "the road," and we entertain no doubt will give a good account of himself.
