## Commercial Summary.

Port Simpson, B.C., has been made an out-  
port under the survey of New Westminster.

GOLD, says a Georgia editor, "is found in  
thirty-six counties in this State, silver in three,  
diamonds in twenty-six, and whiskey in all of  
them, and the last gets away with all the rest."

THE Underwriters' Association has notified  
the Windsor, Ont., authorities that if the  
system of fire protection supported by the town  
is as bad as reported they will be obliged to  
increase premiums on Windsor risks.

A GUNLPH man shipped during last season  
over thirty thousand bushels of turnips, which  
were bought from farmers in the neighborhood.  
Some of them will return to us, it is supposed,  
a year hence, done up in small neat packages,  
labelled "Jam" &c.

A SHAREHOLDER in the Agricultural Savings  
& Loan Co., London, Ont., complains of the  
operation of the proxy system of voting at the  
recent annual meeting, and points out that the  
solicitor gets about one-twentieth of the gross  
earnings of the company.

THE Buckingham, Que., pulp company, with a  
capital of \$50,000, have applied for letters of  
incorporation. The directors are: James Mc-  
Laren and J. W. McLaren, of Buckingham;  
with M. Babcock, A. A. Ayer, and James Fore-  
man, of Montreal.

THE annual meeting of the Merchants Manu-  
facturing Company (St. Henri Cotton Mills)  
was held on the 10th inst., Mr. A. A. Ayer, the  
president, in the chair. The report was pro-  
nounced quite satisfactory. The election of  
directors resulted in the return of the old  
Board, with the exception of Mr. J. K. Ward,  
the vice-president, who resigned and was re-  
placed by Mr. Alex. Ewan, of the firm of Cantlie,  
Ewan & Co.
