

PARAGRAPHS

SEVEN YEARS

Of suffering relieved in as many days. Corns cause in the aggregate as much suffering as any single disease. It is the magic solvent power of Putnam's Corn Extractor that makes it speedily successful in removing corns. Take no substitute, however highly recommended. Putnam's Painless Corn Extractor is the best. Sure, safe, and painless.

The bournouse swawl drapery, and the jabot folds are the favorite arrangement for the back of the skirts of spring dresses.

Chapped hands. A few drops of Johnson's Anodyne Liniment rubbed into the hands occasionally will keep them soft and free from soreness. Soldiers, sailors and fishermen should remember this. It is the best Liniment in the world for any purpose.

The double V waist for children does treble duty as a comfortable garment, and a stocking, skirt and drawers supporter all combined.

Horsford's Acid Phosphates.

IN GENERAL NERVOUS PROSTRATION.

Dr. A. G. Bissell, Detroit, Mich., says: "I have used it in a severe case of general nervous prostration, and am very much pleased with the result. I shall prescribe it hereafter in similar cases with a great deal of confidence."

A gentleman was returning home one very clear night lately with his little girl, who presently pointed to the 'Pleiades.' 'Look!' she exclaimed; 'see those little stars all cuddled close together to keep warm.'

SCOTT'S EMULSION OF COD LIVER OIL AND HYPOPHOSPHITES

is sold all over the world. It is far superior to plain Cod Liver Oil, palatable and easily digested. Dr. Martin Miles Stanton, Bury Bucks, London, England, says: "I have prescribed Scott's Emulsion, and taken it myself. It is palatable, efficient, and can be tolerated by almost anyone, especially where cod liver oil itself cannot be borne. Put up in 50c and \$1 size."

With the snow piled several feet above the tops of the telegraph poles out West, even the old fashioned winter crank must be satisfied.

A neighbor of ours lost a valuable mare recently, it is supposed from bots. If he had used 25 cents worth of Sheridan's Cavalry Condition Powders he would have been driving his pretty Chesnut to-day. Sorry for you, doctor. These powders are immensely valuable.

Laundrymen are the most humble and forgiving beings on earth. The more cuffs you give them the more they will do for you.

Public Benefactors are not alone confined to the higher orders of scientific research. Indeed but few have more for the welfare of the working masses than James Pyle through the introduction of his labor-saving Pearline.

A harder thing to keep than a secret—Money.

Inflammation or sore eyes can be cured in a few days by taking equal parts of Minard's Liniment and new cream and bathing them freely at night and morning.
