

PARAGRAPHIC.

THOUGHT IT WAS CANCER.

James McMillan, Esq., Helen Avenue, Bracondale, Toronto, Ont., writes: "I have been suffering from dyspepsia for over 20 years, and have tried every supposed cure, which in some cases gave me temporary relief, but the trouble came back again with renewed force, until almost I despaired of being cured, thinking that instead of dyspepsia it must be cancer of the stomach I had. For the last three years I have been in agony from pain in the stomach, besides other symptoms innumerable, until I could not even move about from pain and weakness. At last I saw your K. D. C. advertised and procured a free sample which I found doing me good. I have used five packages and am free at present from pain or ache, although it is six months since I have been cured, I believe permanently.

Never lose a chance of saying a kind word. As Collingwood never saw a vacant place in his estate but he took an acorn out of his pocket and popped it in, so deal with your compliments through life. An acorn costs nothing, but it may sprout into a prodigious bit of timber.—W. M. Thackeray.

Children, victims of weak digestive organs can be cured by K. D. C.

An Argyllshire elder was asked how the kirk got along. He said: "Aweel, we have 400 members, then we had a division, and there were only 200 left; then a disruption, and and only ten of us left. Then we had a heresy trial; and now there is only me and ma brither Duncan left, and I ha' great docts of Duncan's orthodoxy."
