POVERTY OF THE BLOOD.

A Condition that gives rise to
Neuralgia, Severe Headaches,
Heart Palpitation and other
Distressing Troubles.

Poverty of the blood is the plain English for what medical men term anæmia and it is a condition that destroys the happiness of thousands and hurries many to an untimely grave. "Going into a decline" is an expression frequently heard in reference to those suffering from languor, heart palpitation, headache, loss of appetite, etc. and it is but another method of saying that the trouble is poverty of the blood. To those thus suffering the following statement of Mr. Chisholm, of North Tyrone, P. E. I., in reference to his daughter Lizzie, will point the way to renewed health: "About a year ago," says Mr. Chisholm, "my daughter took sick and wasted away until she was a mere skeleton. We tried the ordinary remedies at first but no help was had from them, and the family physician was called in. He treated her for about six months but without any apparent benefit. At this time she was confined to bed most of the time, her appetite was almost gone, and she was so weak that death seemed not far distant. To add to our sorrow and discouragement the doctor said he could do no more. We had often read of the cures following the use of Dr. Williams' Pink Pills, but up to this time had not thought of trying them. The doctor's opinion was asked and he said by all means give the Pink Pills a trial; there is everything to gain and nothing to lose by doing so. We then began the use of the pills and by the time the second box was gone we noticed a slight improvement, and slight as it was it renewed our hopes and encouraged us to continue the use of Pink Pills. From that time the improvement was constant and rapid. Lizzie is now the picture of health and no one looking at her would think she had ever been sick a day, to say nothing of having been almost at the brink of the grave. There is no doubt in our minds that had our daughter not taken Pink Pills she would not be alive to-day, and it is with feelings of gratitude that we recommend them to others." If your dealer does not keep Dr. Williams' Pink Pills they will be sent by mail on receipt of 50 cents a box or six boxes for \$2.50 by addressing the company at Brockville, Ont., or Schenectady, N.Y. Remember that Dr. Williams' Pink Pills cure when other medicines fail, and do not be persuaded to take either a substitute or an imitation.

GRIP has a number of subscribers who owe him for various periods previous to July 1893, as well as for 1894. In order to induce them to pay up he makes this offer. To all who forward their arrears before 1st January next, together with \$1 additional, he will send a portfolio in 12 parts, of beautiful half-tone engravings, of Canadian scenery, with short letter press description of each view, and printed on highly finished paper. This is a very fine work, and dealing as it does with our own country, it is well worth having and preserving. To those who object to purchasing such a work without seeing it, we will, on receipt of 10 cents, with the arrears of subscription, send one part, and if it meets with approval, the remaining 11 parts can be sent for the other eleven parts. This offer is only made as an inducement to subscribers to pay up arrears, for the views are well worth far more than we supply them for. How many will take advantage of our offer?

ONE of the musical events of the season will be the concert of the University Glee Club, to take place in the Massey Music Hall, on the evening of Friday, Dec. 14th. The Club, in addition to being worthy of encouragement on its own account, has arranged to give those who patronize its concert an opportunity to listen to some music of very high character. Not the least attraction will be Miss Street, daughter of Judge Street, who as a violinist has won an enviable reputation, which must become enhanced as her playing is better known. The name of Mrs. Clara Barnes-Holmes, of Buffalo, a favorite with Toronto audiences, also appears on the programme, as well as other popular singers and players.

- A FOUNTAIN PEN - FOR \$1.00

A Fountain Pen is a good thing, provided you get the right kind at a moderate price. Fountain pens have hitherto been too high in price to come into general use. But the problem has been solved, and a good pen is now offered FOR ONE DOLLAR, free by post. This is not a cheap imitation, but a genuine gutta percha holder, with non-corrodible iridium pointed nib, from a first-class English firm. The nibs are furnished in fine, medium and broad, and as there is a twin feed the flow of ink is steady and reliable. Gold nibs, and holders with gold bands at higher prices, but the DOLLAR PEN is just as well adapted for everyday use.

The Neptune (for that is its name) is a favorite in England for short hand writers and others, but this is the first time, we believe, it has been offered for sale in Canada. The holder contains ink enough for two days steady writing.

Can be had by addressing J.J. Bell, GRIP Office, 81 Adelaide St., West, Toronto.
