Another-Instance of Tape-Worm Cured by the use of DR. MILANE'S CELEBRATED VERNIFUGE, PREPARED BY FLEMING BROS.

New York, October 15, 1852. This is to certify that I was troubled with a tape worm for more than six months. Tried all the known remedies for this dreadful affliction, but without being able to destroy it. I got one of Dr. M'Lane's Almanacs, which contained notices of several wonderful cures that had been performed by his celebrated Vermifuge, prepared by Fleming Bros. I resolved to try it; and immediately purchased a bottle, which I took according to directions; and the result was, I dose according to the country, measuring more than a yard, besides a number of small ones.

MRS. M. SCOTT,

No. 70 Cannon street. Purchasers will be careful to ask for DR. M'-LANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS. of PITTSBURGH, PA. Al other Vermifuges in comparison are worthless. Dr. M'Lane's genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable drug stores. None genuine without the signature of

Went off to be doctored at great expense, but got no better. She then commenced taking your lifts, which soon cured her, by expelling large quantities of warms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it had, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors bills, and bot much time, without being cured entirely even then. Such a medicine as yours, which is actually good and housest, will be prized here. GEO. J. GRIFFIN, Postmaster.

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout overy town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous discuses of the throat and langs. While it is the most powerful antidote yet known to man for the formidable and dangerous discuses of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persens.
