Mercantile Summary.

THE branch of the Halifax Banking Company, in Shelburne, in that province, has recently been transferred to new and more convenient premises. The manager of the branch is Mr. T. W. Magee, who has been six or seven years at this port.

OUR correspondent in Ottawa sends a brief description of the branch of the Bank of Nova Scotia, on the corner of O'Connor and Sparks streets in that city. It is a good stand, and he says the place is very nicely fitted up. Polished metal grill work, polished oak fittings, polished floors and—let us hope—polished manners on the part of the staff.

ON Monday night last, burglars broke into one of the Seminary buildings in St. Francois Xavier street, in Montreal, and secured quite a haul. Mr. G. F. Bolton, insurance broker, lost \$8,500 in bonds. Mr. Albert N. Reay, commission agent, lost a \$200 collection of stamps, two suits of clothes, and a waterproof. Mr. J. W. Melson, marine broker, had his vault broken into, and about \$200 in cash taken.

WORD comes from Montreal that the Laurentide Pulp Co., Grand Mere, Que., has made arrangements with the London, Eng., house of Edward Lloyd, Limited, to take over the control of nearly the entire output of the mill at Grand Mere. The Laurentide Company is an important concern. Its president is Sir William Van Horne; its vice-president, Mr. John Cassils, and Mr. Russell A. Alger, jr., of Michigan, is its secretary-treasurer.

At Sydney, C.B., on Saturday last, the annual meeting of the Eastern Telephone Company was held, when the following directors were re-elected: R. A. H. McKeen, president; Judge Dodd, vice-president; J. E. Burchell, B. Archibald, J. R. Hackett, Capt. John Lorway, W. Crowe, B. W. Chipman and Robie Uniacke, of Halifax, were also elected to the board. It was decided to increase the capital of the company from \$50,000 to \$150,000.

A MAN was arrested in Toronto last week by a detective, charged with circulating counterfeit \$10 notes of the Dominion Bank. He is supposed to belong to a gang who are "doing" the country cousins during Exhibition week. The note in question is described as purporting to be series A, and signed Garratt G. Cassels. It appears to be a photographic reproduction, and is poorly done. No competent teller would be deceived by it.

THROUGH not having to abide by what is known as the scrap-iron assessment decision, the City of Toronto stands to make a gain of \$47,000 this year on its assessment of the Toronto Street Railway Company, the Consumers' Gas Company, the Bell Telephone Company, the Toronto Electric Light Company, and the Incandescent Light Company. It appears that these five concerns will next year have to pay taxes on an assessment greater by \$2,475,069 than was levied against them this year.
