Mercantile Summary.

News comes from Vancouver that the
C.P.R. Company intends to build two more
steamships for the Japan and China trade,
exactly like the three "Emperors" which
now ply across the Pacific to and from that
port.

MESSRS. RAY, STREET & Co., the Port Arthur
bankers, are pleased to add their testimony to
the character of THE MONETARY TIMES after
this fashion: "Your paper is 'chuck' full of
good common sense, and every business man
should be a subscriber."

THE Diebold-Mosler Damon Safe Company,
a consolidation of eleven principal companies
and firms, making fire and burglar-proof
vaults and safes, has been incorporated in
New Jersey, with a capital of \$5,000,000, of
which \$2,800,000 is to consist of preferred
stock, and \$2,200,000 common stock. The
companies whose properties are taken over
have factories in New York, Massachusetts,
Pennsylvania, Maryland and Ohio.

ORIGINAL sin had shown its fruits early in
the case of the Charlottetown post office mes-
senger boy. A despatch tells us that during
the past year between 700 and 1,000 letters
containing a large aggregate amount of money
have been stolen from the post office of that
city. All efforts to catch the thief were un-
successful. Finally suspicion fell on a mes-
senger boy, Charles J. Mitchell, and he was
charged with the crime. Upon receiving a
guarantee that he would not be prosecuted, he
confessed that he was the thief. How the
authorities came to give such a guarantee in
the case we are not told.
