

Canadians finding a foothold in the English market. Prices of creamery are lower; we quote: Tubs, 19 to 20c.; pound prints, 21 to 22c. per lb. Dairy is quoted as follows: Choice tubs, 15 to 16c.; medium, 12c.; low grades, 8 to 10c.; fresh large rolls, 14 to 16c.; pound prints, 16 to 18c. per lb. Little or no business has been done in dried apples; stocks are accumulating and prices remain nominally unchanged. Offerings of evaporated are larger, having shown material increase recently, finding, however, few buyers. With the return of more favorable weather offerings have been free and packers are again in the market as buyers. It is thought that there are considerable quantities of hogs stored at different country points. Trading in hog products has fallen off since the holidays, although prices remain without change. Receipts of eggs have been lighter this past few days and there is in consequence a better feeling in the market, although prices have not altered. Poultry was comparatively dear for the New Year holiday; all receipts were quickly picked up and realized good prices, as follows: Turkeys, 9 to 11c.; geese, 7 to 8c. per lb.; ducks, 60 to 80c.; chickens, 30 to 50c. per pair.

SEEDS.—There has been the usual relaxation in markets abroad during the holiday weeks, which has resulted in a cessation of Canadian export business. Growers realize \$3 to 4.20 on alsike and \$4 to 4.40 on red clover. Timothy is noted at \$1.50 to 1.80.

WOOL.—There is nothing new in the local market. The last purchases of fleece made by local dealers were at 23c. per lb. Pullers are active, a transaction in super was recently reported at 22c. per lb. Manufacturers of worsted goods are very busy. Factories engaged in making tweeds are not working over time. Blanket manufacturers appear to be busy. Makers of knit goods are none too busily employed.
