MUTUAL INSURANCE

FOR

COMMERCIAL MEN.

The Board of Directors of the Beaver and Toronto Mutual Fire Insurance Company have opened a Branch for the exclusive purpose of insuring property situated within range of the hydrants connected with the Water Works of Toronto and Hamilton.

By the passage of the Mutual Insurance Companies Act of last session of the Ontario Legislature, all the vexatious clauses of the old Mutual Insurance law have been entirely removed. No lien or real estate, no liability for any payment over and above the amount of the premium note can hereafter exist. No premium note, even, is necessary, but a simple "undertaking" to pay assessments up to a limited amount, thus removing a very general objection on the part of mercantile men heretofore felt by them.

THE CITY BRANCH will insure, for three years, all property coming under the above class, on receiving the "undertaking" of the insured for four times the usual annual rate, and will collect thereupon a first payment of 12 1/2 per cent., or one-eighth of the amount of the "undertaking," and will make no assessment thereon until required to meet expenses and losses arising within the limits above laid down.

Application may be made either at the Head Office, over Toronto Bank, or to the undersigned.
