Reep the Works in good order.

Norman, Out., January 15, 1890.

W. H. Constock, Brockville, Out.

Dear Sir, -Your 'Dr, Morse's Indian Root Pills' are the best regulator for the system that humanity can use. Life is as the time-piece: frail and delicate are many of its works. A tiny particle of foreign substance adheres to the smallest wheelin the works, and what is the result! — at first, only a slight difference is perceptible in its time-keeping, but wait you; at the obstruction grows, the irregularity becomes greater, until at last, what could have been rectified with little trouble, in the beginning, will now require much ca e in thoroughly cleansing the entire works. So it is in human ife—a slight derangement is neglected, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning have been cured with little tro ble, becomes almost fatal. To prevent this, I advise all to purify the system frequently, by the use of Morse's Fille, and so preserve v.gor and vitality.

Your faithfully.

Dear Sir,—For many years, I have been a firm believer in your "Dr. Morse's Indian Root I'lls."

Not with a blind faith, but a confidence wrought by an actual personal experience of their value and merit. My business is such that I spend much or my time away from home, and I would not consider my travelling outfit complete without a box of Morse's Pills.
