CITY AND ELSEWHERE.

ST. BONIFACE HOSPITAL had over one hundred and sixty visitors calling there last Sunday.

THE REV. FATHER WINTER, of Denver, Col. paid a short call to the Rev. Father Cherrier on last Sunday on his way to the West.

EIGHTY-NINE patients passed through the St. Boniface Hospital last week. The regular patients treated during the week were 68; males, 41; females, 27.

We would remind all the members of Branch No. 52 C. M. B. A. of the important meeting called for Wednesday June 5th. Let every member of the Branch be there.

MR. J. BRENNAN, car painter of the Electric Railway Co., while coupling cars on Saturday night, got the first finger of the left hand caught between the buffers and tank off.

LITTLE MONICA BARRETT who was very sick for the past two weeks, is, we are happy to announce, showing signs of improvement and hopes are now entertained of her recovery.

High Mass was celebrated in the beautiful church of the Immaculate Conception last Sunday, by the Rev. Father Bérubé of New Bedford, Mass., who is here on a visit to his brother of St. Alphonse, Man.

MR. F. W. RUSSELL left on Friday for Minneapolis to attend the convention of the Catholic Order of Foresters which meets there this week. Mr. Russell will probably return to the city at the close of this week.

THE choir of the Immaculate Conception parish are preparing a grand new mass to be rendered by them for the first time on the solemnity of the feast of Corpus Christi. The congregation may confidently look forward to a musical treat.

THE total number of patients treated in the Winnipeg General Hospital for the week ending Saturday the 25th inst., was 117, of whom 72 were males and 45 females. The daily average was 79. Thirty out-patients were also treated during the week.

CAPTAIN Wm. McILWAIN, of the Department of Marine and Fisheries, who has been visiting Rat Portage examining the masters and mates on the Lake of the Woods, arrived in the city on Monday's train and is the guest of Dr. and Mrs. J. K. Barrett.

THE Rev. Father McCarthy of St. Mary's Parish returned from a visit to Moosomin and surrounding country where he has a host of friends. The Rev. Father enjoyed his visit very much and looks much improved after the short rest from his many parochial duties.

SOME necessary improvements are being made at River park. Sidewalks are being laid down to connect the different attractions and also down to the river banks. A wind mill is being put up which will be utilized to draw water from the well on the grounds.

THE Right Rev. D. O'Connor, Bishop of Peterborough, Ontario, recently visited Fort Arthur and the Catholics of that town being anxious to show his Lordship many of the natural beauties of that neighborhood organized a picnic to Kakabeka Falls. Dr. Macdonald, Mr. McBrady, Mr. Bonin,

Mr. Clavet and other leading Catholics, accompanied by his Lordship and some of the local clergy, drove to the Falls. The weather was delightful and the Bishop expressed himself as delighted with the day's amusement and the picturesque scenery at the falls.

MR. J. D. MACDONALD has left for Minneapolis. He goes as representative of the Catholic Order of Foresters of Winnipeg. Mr. Macdonald is an enthusiastic Forester, and that he is highly appreciated by his brother members is shown by the fact that he has been elected for the second time to represent them at the convention.

LAST Sunday was a beautiful day and seemed to be thoroughly enjoyed by our citizens. The streets were full of pedestrians out for a walk. Could not the Rev. preachers of Winnipeg, by some twist of theology or misquotation of the Holy Scriptures prevent this wholesale "desecration of the Sabbath" by the citizens of Winnipeg?

ON Friday next the devotions to the Blessed Virgin, which were held daily during the month of May, will be brought to a close. The children of Mary belonging to the Immaculate Conception parish will receive Holy Communion in a body on that day and the devotions will close in the evening by Benediction of the Blessed Sacrament.

THE Rev. Pastor of St. Mary's church referred, last Sunday, to the grand sacred concert to be given in St. Mary's church on the evening of June 3rd. This concert promises to be one of the most enjoyable events of the month. All that is necessary to insure its success is to say that it is to be given by the choir of St. Mary's church who are preparing a very select programme. All lovers of music should not miss this opportunity to hear one of the best choirs in the city.

WE regret to have to announce that Mr. A. MacGillis, Chief Clerk of the Post Office Inspector's Office, is not improving so rapidly as his friends anticipated. It is, however, gratifying to know that he is improving, though slowly. The Doctor in attendance (Dr. Yeomans) says that it will be a month yet before he will be able to go out. We are somewhat surprised that the Electric Street Car Company, after such an accident to a prominent citizen, has not made any attempt to place guards on their cars. Is there no law to compel them to do so?

FIRST COMMUNION AT ST. MARY'S ACADEMY.

ON Thursday 23rd inst. First Communion was given to the following pupils: - N. Morin, J. Doyle, M. Ducharme, M. Cox, L. Flanagan, J. Donoghue, L. Delmare, L. Motta, M. Havery, M. Lamontagne, E. Simpson, D. Larose, M. Paquin, A. Dubuc, S. Turner, E. Kelly, J. Guillette, E. Prud'homme.

AT 2 o'clock, P. M., the ceremony of the renewal of Baptismal vows took place, after which the children recited in concert the act of consecration to the Blessed Virgin and were enrolled in the Scapular of Mount Carmel.

THE ceremony terminated by the consecration of the children to the Sacred Heart and Benediction of the Blessed Sacrament.

A GRAND SACRED CONCERT.

THE Rev. Pastor of St. Mary's church announced on last Sunday that there would be a grand sacred concert in St. Mary's church on the evening of June 3rd. At this concert, which is in aid of the choir funds of St. Mary's church, portions of the mass sung on Easter Sunday will be reproduced. The musical critic of the Tribune was profuse in his praises of the manner in which this mass was sung on Easter Sunday and suggested that it be reproduced by the choir for the benefit of the lovers of music in the city who did not hear it. This reproduction will be gratifying to the citizens of Winnipeg who attend this concert. St. Mary's church has taken a front place among the church choirs of the city and the people of St. Mary's are proud of their success. We hope the concert will be a grand financial success.

Tickets 25 cts. Reserved seats 50 cts. Concert to commence at 8.15 sharp. Plan at Evans' Music Store on Thursday.

C. M. B. A.

Important Meeting of Branch No. 52.

THE next meeting of St. Mary's Branch No. 52 of the C. M. B. A., will be held in Unity Hall on Wednesday evening the 5th June. The officers earnestly request that every member of the Branch who can possibly do so will make a special effort to be present as matters of great importance will come up. As all the members are aware, changes in the constitution have recently come into force which are calculated to considerably add to the popularity of this great beneficial association; it is highly desirable that all members should arise themselves acquainted with these changes and govern themselves accordingly. This can best be done by attending the meetings, and at the next gathering the officers have communications of vital importance to the membership generally, so that it is hoped there will be a large and representative assembly. We intend to have more to say regarding this matter next week. Indeed for the advantage of C. M. B. A. men who live in the country and are not able to attend the meetings, and also for the information of those who are not members at all, we shall from time to time in our columns refer to the onward progress which the C. M. B. A., is making. In the meantime we will only add that members residing in the city should make a note of the date of the next meeting and be sure to attend. H. A. RUSSELL, Rec. Sec.

Consumption and Lung Difficulties
Always arise from particles of corrupt matter deposited in the air-cells, by impure blood. Purify that stream of life and it will very soon carry off and destroy the poisonous matter, and like a crystal river flowing through a desert, will bring with it and leave throughout the body the elements of health and strength. As the river leaving the elements of fertility in its course, causes the before barren waste to bloom with flowers and fruit, so pure blood causes the frame to rejoice in strength and health, and bloom with un fading beauty. THE POPE TO THE ENGLISH.
(Continued from page one.)

this surprising Pope, of this prisoner, who has words that set free, and makes plans for the future for Church and society. This letter is therefore a real triumph for those who follow confidently the present reign. Why, it may perhaps be asked, does Leo XIII. touch so lightly on the reason for his appeal? He does not even seek to convince; he is silent on fundamental questions. It seems to us that the answer is an easy one. When negotiations so bold are begun, we must restrict ourselves to the attractive side, leave to time the care of doing its work, allow men's minds to gain confidence, that confidence so slow in coming, which leads them through the most complicated labyrinths. The point on which Leo XIII. lays stress is the need of concentration against unbelief and the disaster which that causes. What believer in Christ must not bow to the force of this argument? Our disasters and our blunders, our sorrows, and our troubles do they not show that without faith society is a driverless chariot rushing to destruction? For two centuries we have lived in the intoxication born of new hopes. We have squandered the inheritance of centuries of faith and in spite of secondary gains have founded nothing lasting. The period of the seven lean kine seems to have come to our ancient Europe. Are we to quarrel over our internal dissensions like mandarins of dead religions, as did the Byzantines, who opened the gates of our continent to the crescent of Mohammed? Domestic struggles, discussions, even important ones, the arrangement of details, all that will come of itself when we have sought the kingdom of God and His justice. The appeal to the English people is an appeal to the largest part of Christianity. It touches Great Britain, Ireland, Scotland, the United States, Canada, Australia, the East. In this vast world, hopes in their turn will arise, the offspring of the Pope's desires. Today Leo XIII. lights the lamp of hope; the practical labor will be for the morrow. INGNOMINATO.

A FAVOR.
THE Rev. H. Fouquet, O.M.I., of Calgary, writes us that he would take it as a great favor if any of our readers who can get it, would send him the Northern Star, the official organ of the masonic sect in Winnipeg. He tried to become a subscriber to it through his Protestant bookseller in Calgary, but could not succeed. He says he receives the "London Freeman" regularly and cannot understand why a public newspaper like the "Northern Star" should object to a new subscriber.
