Article 5

SUBSCRIPTION OF SHARES

1. Each member shall subscribe to shares of the capital stock of the Bank. Each subscription to the original authorized capital stock shall be for paid-in shares and callable shares in equal parts. The initial number of shares to be subscribed by countries which become members in accordance with Article 64 of this Agreement shall be that set forth in Annex A hereof. The initial number of shares to be subscribed by countries which are admitted to membership in accordance with paragraph 2 of Article 3 of this Agreement shall be determined by the Board of Governors; provided, however, that no such subscription shall be authorized which would have the effect of reducing the percentage of capital stock held by regional members below sixty (60) per cent of the total subscribed capital stock.

2. The Board of Governors shall at intervals of not less than five (5) years review the capital stock of the Bank. In case of an increase in the authorized capital stock, each member shall have a reasonable opportunity to subscribe, under such terms and conditions as the Board of Governors shall determine, to a proportion of the increase of stock equivalent to the proportion which its stock theretofore subscribed bears to the total subscribed capital stock immediately prior to such increase; provided, however, that the foregoing provision shall not apply in respect of any increase or portion of an increase in the authorized capital stock intended solely to give effect to determinations of the Board of Governors under paragraphs 1 and 3 of this Article. No member shall be obligated to subscribe to any part of an increase of capital stock.

3. The Board of Governors may, at the request of a member, increase the subscription of such member on such terms and conditions as the Board may determine; provided, however, that no such increase in the subscription of any member shall be authorized which would have the effect of reducing the percentage of capital stock held by regional members below sixty (60) per cent of the total subscribed capital stock. The Board of Governors shall pay special regard to the request of any regional member having less than six (6) per cent of the subscribed capital stock to increase its proportionate share thereof.

4. Shares of stock initially subscribed by members shall be issued at par. Other shares shall be issued at par unless the Board of Governors by a vote of a majority of the total number of Governors, representing a majority of the total voting power of the members, decides in special circumstances to issue them on other terms.
