

1.3.4 Average age of the workforce by occupational group

Chart 11 illustrates the average age of the workforce by occupational group:

- The average age of DFAIT's workforce was 44.2 years as of March 31, 2006.
- The EX occupational group had the highest average age (53.3 years).
- The average age for all occupational groups was over 40 years, except for ES (38.1 years) and PM (39.1 years).
