

was at first planned by the engineer, reduced the dimensions from 700 to 500 or 600 feet. The hon. member for Cumberland alluded to the Government having been taken by surprise on this occasion. He (Mr. MacKay) ventured to say that not only the Government, but everybody there was surprised at a motion of this kind being brought before the House. He felt satisfied, from his knowledge of the circumstances, that there was no foundation whatever for the charges made.

Question put, and motion in amendment (Mr. McDonald, Cape Breton) negatived on the following division:—
