HENRY RETURNED BY HANDSOME MAJORITY

East York Electors Did Not Turn Out as Strongly as in Former Years, But Endorsed the Whitney Candidate by More Than Six Hundred Majority.

East York electors again endorsed the administration of Sir James Whitney and his government yesterday by electing Geo. S. Henry as their representative in the legislature. Over 2322 votes were polled, and Mr. Henry's majority, although there are still a few polling subdivisions to hear from, is 616.

Compared with the last election, when Sheriff McCowan was returned, the vote was remarkably light, being 350 votes less than formerly. The results in the various districts were as follows:

Table with 2 columns: District, Votes. Includes entries for Henry Chamberlain, York Township, Richmond Hill, North Toronto, Markham Village, Markham Township, Scarborough Township, and Totals.

The general feeling of certainty regarding Mr. Henry's return made the voters somewhat apathetic regarding the election, and there is little doubt that had the total vote been larger, Mr. Henry's majority would have been very much increased.

Mr. Henry's Thanks. When interviewed by The World last night, Mr. Henry said: "I don't know that I have very much to say, except to express my sincere thanks to the electors of East York for the handsome majority they have given me at the election today. Many of my friends, I am sure, neglected to poll their votes, feeling confident of my election. Considering the total vote cast, however, I feel that my candidature has been handsomely endorsed, and that the government under Sir James Whitney will feel encouraged to continue to administer the affairs of the province along progressive lines. I trust I shall discharge the duties now entrusted to me, so as to merit in some measure the favor of the large cosmopolitan riding of East York. No Enthusiasm. "The most astonishing feature of the campaign has been the failure of Mr. Chamberlain and myself in conjunction with the newspapers to awaken any enthusiasm one way or another. Evidently the electors of East York did not like Mr. Chamberlain's temperance platform seriously, and are quite content with the progress being made by the present government along these lines."

Precautions Taken to Prevent the Public From Knowing of Journey. LONDON, Sept. 8.—The Daily Citizen, a Labor organ, announces that the Duke of Connaught crossed to North Ireland last night and precautions have been taken to prevent the journey from becoming public knowledge. It suggests that the visit has some connection with the Ulster agitation, as the Duke of Connaught has been mentioned as the first Veroy of Ireland under home rule.

BRANTFORD, Sept. 8.—(Special).—That James Ray, the much-wanted bank swindler, came to the depot of the Grand Trunk railway here on Saturday morning to recover a grip which he had inadvertently left at the depot was the statement of the baggage master here today.

LITTLE ENGLAND IDEAS DISCARDED

Hon. Herbert Samuel Says British Liberalism Now Has Distinctly Imperialistic Tinge. WINNIPEG, Sept. 8.—(Can. Press).—"If you are proud to be members of the British Empire, as I believe you are, you are in the mother country are no less proud to count you as such," was the declaration of the Right Hon. Herbert Samuel, British postmaster-general, speaking to 1200 members of the Canadian Club at a luncheon in Manitoba Hall today.

Pointing out that the English Liberal party has discarded "Little Englandism," and that "Cobden" had never determined the policy of that party, he emphasized the fact that the age when the dominions or the colonies used to be regarded with indifference in the old country had passed absolutely. The people of Great Britain were cordially in sympathy with the vigorous and active democracies in the new countries, and he was convinced that when Ireland got home rule we might see the people of that country as proud of the empire, as sympathetic to the great dominions, and rendering as useful service as any other portion of the United Kingdom to the progress and welfare of the dominions over the sea. While he did not desire to interfere in any degree with the management of their own Canadian affairs, they would believe him, he said, when he stated that at home in Great Britain, Canada was much in the minds of the people.

FELL TO CELLAR SERIOUSLY HURT

Louis Pollard Lies in Western Hospital With Injuries to Back. Falling down the cellar stairs at his home late yesterday afternoon, Louis Pollard, aged 67 years, 251 Salem avenue, was very seriously injured, and now lies in the Western Hospital in a critical condition. Although Mr. Pollard's years are a big handicap, the hospital authorities hope for his recovery.

As far as can be learned, Mr. Pollard was going down the stairs to get something from the cellar, and as the stairway was dark, he mislaid his footing and fell to the bottom.

WILSON TARIFF BILL REACHES FINAL VOTE IN SENATE TODAY FIGHT IS ON WOOL AND SUGAR

Democratic Lines in Senate Hurdled Back Amendments Offered by Opponents of Free Wool and Sugar and Cleared Decks for Final Action This Afternoon. WASHINGTON, Sept. 8.—(Can. Press).—The senate will vote on the Democratic tariff bill tomorrow afternoon, at 4 o'clock. This agreement was reached tonight at 11:45, when it became apparent that it would be impossible to carry the plan to pass the measure before adjournment.

The party leaders agreed to keep the senate in session until well into the morning, to dispose of as many of the reserve amendments still pending as possible, and then to adjourn until 9 o'clock tomorrow morning. Democratic lines in the senate stood solidly tonight against the final onslaught of the tariff fight. With party leaders urging their colleagues on to approval of the bill, the ranks closed up against the anti-free wool and anti-free sugar forces, and defeated all amendments to the bill as fast as they came to the vote.

U. S. RETAINED PALMA TROPHY

Argentine Marksmen Finished Second and Canada Third—Scoring Was Good Despite Wind. CAMP PERRY, Ont., Sept. 8.—The United States won the Palma match today. Its score was 1714. The team from the Argentine Republic was second, with a score of 1684. Nine points ahead of Canada, with a score of 1675. Sweden made 1494 and Peru 1408.

The shooting was on the 300, 500 and 1000 yard ranges. The scores are considered good as a strong north wind blew in the face of the shooters. The winning score was six points below that made by the U. S. team last year, when it captured the prize in Canada.

The Argentine shooters did well, considering that they were not accustomed to long range shooting. When they came here they had learned to locate the targets. They say that when they returned to South America, there will be more shooting at 100 yards.

The Scoring. United States—Captain Guy Emerson 221, S. B. Winter 211, Capt. C. G. Duff 212, Capt. K. K. Casey 217, Lieut. L. W. Waller 209, George Chesley 212, Lieut. Robert Sears 215, Maj. P. A. Wolf 214. Totals 1714.

SHUFFLE IN CHINESE CABINET ATTITUDE TO JAPAN FRIENDLY

Regret Concerning Killing of Japanese in Nanking Expressed and Compensation to Families of Victims Proffered—Six New Ministers Will Take Office Under Reconstruction Plans. PERKIN, Sept. 8.—(Can. Press).—The Chinese Cabinet has been virtually reconstructed. The nomination of six new ministers, has been approved by the lower house. The new members of the cabinet are as follows: Foreign affairs, Sun Pao Chi, former governor of Shantung Province; interior, Chu Chieh-Chien, formerly minister of communications; justice, Wang Chi-Chiao; education, Wang Tai-Si; industry, Chang-Chi Yen, formerly president of the board of agriculture; communications, Chow Tsz-chi, formerly acting finance minister.

Premier Hsiung Hai Ling will take the portfolio of finance temporarily. The cabinet includes three partisans of the reformer Kang Yu Wei.

The Chinese Government is much concerned over the agitation in Japan in connection with the killing of several Japanese during the fighting at Nanking and, desiring to make reparation, has instructed the Chinese chargé d'affaires at Tokio to express regrets to the Japanese foreign office. The Chinese foreign office here has already expressed regrets to the Japanese legation.

Attitude is Conciliatory. The general command at Nanking has sent a message of sympathy to the Japanese consul-general, and has offered to compensate the families of the victims. The newly-appointed Chinese minister at Tokio has been ordered to Nanking to conduct a full enquiry.

Three weeks ago, fearing the possibility of untoward incidents, the Chinese Government withdrew the Japanese legation to withdraw its nationals from the scene of the disturbance at Nanking, and only a few days ago the Japanese legation notified the Chinese foreign office that eight Japanese officers who had served the southern garrisons had been returned to Japan.

Major-General Shiba, who was commissioned by the Japanese Government to investigate the matter, admits in a published report that Japanese officers and soldiers, without their government's consent, acted as local commanders among the southerners.

ACCIDENTAL DEATH SAY OSBORNE JURY No New Facts Elicited in Inquiry Into Bay Street Wharf Drowning Accident. A verdict of accidental death was returned by the jury appointed to enquire into the death of John P. Osborne, who fell off the wharf at the foot of Bay street, late on the night of September 1, after being taken from the wharf some distance up to Bay street by a police constable. The victim of the drowning accident had come over from Hamilton, and for some reason or other had bought a ticket back to Hamilton. He was noticed to be under the influence of liquor, but was thought by the steamship officials and by the policeman to be well able to take care of himself. The body was found soon after the accident and although a pulmotor was used, it was found impossible to restore respiration.

BOILER DROPPED AND CRUSHED TWO MEN

James McPherson May Not Recover, and Albert Morris Slightly Injured as Result of Accident While Installing Machinery at Toronto Electric Light Company's New Plant. When a rope running thru a block slipped and allowed the boiler they were raising to drop thirty feet at the plant of the Toronto Electric Light Company yesterday, James McPherson, aged 25, 159 Bloor street, was so seriously injured that he may not live, and Albert Morris, aged 23, same address, was also slightly hurt. Both men had a narrow escape from being crushed to death beneath the huge boiler.

McPherson and Morris were employed by the Babcock-Wilson Boiler Company. They were installing a new boiler in the electric plant and had raised it to the height of thirty feet. The blocks slipped and allowed the boiler to crash to the ground. McPherson was standing on top and fell with the boiler, which partially rolled on him. Morris was holding the rope and the skin was torn from his hands, his back was slightly injured, and he received a blow on the head.

Dr. Riordan attended both men, and because of the fact that the new General Hospital is the one to which all cases must go in the police ambulance he hired a motor car and took the men to Grace Hospital.

MESSENGER BOY FATALLY HURT

Charles Bateman, Fourteen Years Old, Died of Injuries Sustained in Motor Accident. Struck by a motor truck on Saturday night at the corner of Augusta avenue and St. Patrick street, Charles Bateman, aged 14, 399 College street, died in the Western Hospital at 12:30 this (Tuesday) morning. The chief coroner was notified and the accident will be thoroughly investigated.

Bateman was employed as a messenger by the City Dye Works, 351 College street. At 10 o'clock Saturday night he was riding his wheel north on Augusta avenue when a motor truck owned by the Fairweather Company of Yonge street, and driven by W. Matthews, 12 Oxford street, came east on St. Patrick street and struck him. Both the motor car and the boy on the bicycle were travelling at a good speed when the accident occurred.

The driver of the machine took Bateman to the Western Hospital, where Dr. McCullough, Spadina ave., attended him. His condition was not at first thought to be serious, but a hemorrhage of the brain developed and caused death.

PRESENTATION FOR POPULAR PASTOR

Congregation Tender Gifts to Departing Pastor of Jarvis Street Unitarian Church. A farewell was tendered last evening to Rev. Mr. Hutchison by his late congregation of the Jarvis Street Unitarian Church on the occasion of his removal to Meadville, Penn., where he will take an important charge. The affair which was held last evening was entirely informal, and after a large part of the evening had been spent in social intercourse, Prof. C. M. Young and Mrs. M. A. Thomas presented Mr. Hutchison with a purse of gold. This was followed by the presentation of a beautiful cabinet of silver to Mrs. Hutchison by Mrs. Robert Glasgow and Mr. Frank Laird. Master Allan Hutchison was made the recipient of a silk Canadian flag by Wilfred Campbell and Monty Sanderson.

The departing pastor responded at some length on behalf of his wife and son, as well as himself, expressing the great happiness which he had experienced during his seven years' stay at Jarvis Street Church.

SOCIETY LEADER IS FOUND DEAD

Body of Prominent Chicago Woman Taken From River With Rope Knotted About Neck. (Special to The Toronto World). CHICAGO, Sept. 8.—The body of Mrs. Walter B. Smith, society leader, daughter of Hiram R. McCullough, vice-president of the traffic department of the Chicago & Northwestern Railroad, and daughter-in-law of Byron L. Smith, millionaire president of the Northern Trust Company, and granddaughter of Marvin Hughitt, former president of the Chicago & Northwestern Railroad, was found in Lake Michigan near the City Park, Lake Forest, this afternoon. A rope was knotted tightly about the woman's neck. On the beach was a small mound of sand painstakingly decorated with flowers. Suicide was credited by the police as the only theory for the mysterious death. The body was discovered floating close to the shore about 2:30 o'clock by A. J. Henningsen of Lake Forest. He called a policeman, who rescued it from the water.

For nearly three hours profound mystery shrouded the identity of Mrs. Smith. She was richly dressed, but wore nothing by which the police could disclose her identity. After 5 o'clock, when the police were mad with excitement over the baffling case, Miss Mary Weisman identified the woman as Mrs. Smith.

Aside from the evidence found on the shore of the lake, absolutely no clue was left to substantiate any theory for the strange death.

Mrs. Smith, formerly Florence McCullough, was married to Walter B. Smith, June 6, 1905. The wedding was one of the most fashionable events of the season.

Walter B. Smith, husband of the dead woman, scouted the suicide story. He said: "I believe it is murder, pure and simple. She was the happiest woman in the world, and well pleased. A woman of her mental calibre could not have committed suicide. I intend to have the best detectives in the world to solve this mystery."

"Did you see him win any money?" asked the joint prosecutor. "I saw a bill changed," answered the witness. "I could not say who won it." The cross-examination conducted by Mr. Jacobs was very short. "Why did you stop to watch the game?" he asked. "Because it was in an automobile and a man in front had a little typewriter in his lap a-writing and I was interested."

This was a New York newspaperman writing his story under difficulties.
