

- thereof as are agreed upon between the provisional directors, or the directors, and the municipal authority; and the corporation shall be liable to the municipality for all damage or loss caused to the municipality by such location, construction or use, or by the negligence or default of the corporation, its agents or workmen;
- 5 (h) the amount of bonds, debentures or other securities which may be issued. This shall be fixed at a certain rate per mile of the railway, and such issue shall be authorized to be made only in proportion to the length of railway constructed or under contract to be constructed, and on the express condition that all moneys realized from such issue shall be used for no other purpose than the construction, equipment, maintenance and operation of the railway, and that if by any court of competent jurisdiction it is found that this condition has not been fulfilled, that court shall order the corporation to pay an amount equal to the moneys so diverted from their proper use, which amount shall be paid into the consolidated revenue fund of Canada;
- 10
- 15
- 20 (i) the other railway companies with which, if it so desires, the corporation may, subject to the provisions of sections 361, 362 and 363 of *The Railway Act*, enter into agreements for any of the purposes specified in section 361 of that Act;
- 25
- 10.** When in the opinion of the Board it would be for the public interest that the powers hereinafter mentioned, or any of them, should be conferred upon the corporation, and that such powers are necessary for the effectual carrying on of the business of the corporation as a common carrier, the Board may also determine whether and to what extent any or all of such powers should be conferred upon the corporation, that is to say, powers for—
- 30
- (a) the acquisition, chartering, maintenance and operation of steam and other vessels in connection with the undertaking of the corporation; and the construction, acquisition and disposal of wharves, docks, elevators, warehouses and all other structures and buildings necessary for such purposes;
- 35
- 40 (b) the construction, maintenance and operation of structures and works for the development of power of any kind, and for the conversion of power so obtained into any other form of power, heat, light or electricity, and for the utilization of power, heat, light or electricity obtained by such development or conversion, in and for the purposes of the business of the corporation,
- 45
- 50 (c) the operation of the telegraph and telephone lines of the corporation for the transmission of messages for the public; the collection of tolls for such transmission, subject to approval of such tolls by the Board, and to revision thereof from time to time by the Board; and, for the purposes of such operation and transmission, the making of contracts with any companies having tele-

Issue of securities.

Agreements with other companies.

Additional powers.

Vessels, &c.

Development and utilization of power.

Operation of telegraph and telephone lines for public.
