

PHOENIX FIRE ASSURANCE COMPANY  
OF LONDON, ENGLAND.

---

SIMCOE AGENCY, 4TH APRIL, 1861.

Dear Sir,

*Your particular attention is directed to the following Extract from the Annual Review of the Trade of Toronto, published in the month of February last, respecting this Company, of which I have accepted the Agency here :—*

“The Phoenix Insurance Company is the SECOND largest in England, and the FIRST doing business in this Province. The duties paid to the British Government, in 1858, amounted to the large sum of £132,671 sterling, and the amount increases every year. The Agency in this city has been established for about twenty-five years; during which time they have only contested one claim, in which they obtained a verdict with costs.”

*I am, yours truly,*

HENRY GROFF,

AGENT.
