drew and Philip, he said, exemplified the opportunities and duties of the Christian citizen. There were a large number of men who considered they fulfilled their duty to the community and to the state at large by constant criticism of public men. The oracular utterances of critics who stood aside from the common duties of citizenship had but little value. Christian citizens who banded themselves together in such associations as the brotherhood not only did effective service for the state by their organized efforts, but also by the benefit of their example. It would be an ideal condition for all the churches, Protestant and Roman Catholic, to be united, but there could be a unity of aim by all Christian citizens for the moral elevation of the state and on many practical lines such associations as the brotherhood within the various churches were accomplishing inspiring results.

Niagara District Baseball. ST. CATHARINES, May 6.—Niagara District Baseball League opened Saturday, St. Catharines team playing at Merritton, Thorold at Niagara Falls, Port Colborne at Welland. President W. J. Robertson of the league, superintendent of the Niagara, St. Catharines & Toronto Railway Co., pitched the first ball at the Merritton game, with Chief Police Moffatt assisting. The attendance was the largest ever seen at a game in the factory town. The game was preceded by a parade of players, with Merritton town fathers and officials, headed by a brass band. While there was plenty of interest in the event, the game—was not so very fast at all times, the final score running as high as 16 to 10 in favor of the home as high as 16 to 10 in favor of the hom

Baseball has taken a great boom in this end of the Cistrict, the Niagara Central Railway Company having taken part in the preliminary organization. Patsy Flaherty of the Bostons has a pitching style all his own. Pat haso't the speed or the "stuff" that he once owned, but he has specialized on the fast delivery and the quick return, and keeps batsmen paying strict attention to him. Often he catches them off their balance. Flaherty pitches with his head.

Hans Wagner seems to have recovered his old form, and that means that the Pirates will be in the hunt this season.
