Winnipeg, Feb. 24.—Argonauts tonight repeated their victory of last Thursday over the Newman Hall Hockey Club from Toronto, when they handed them a 4-3 bump at the Amphitheatre Rink, winning the two-game series by a total of 10 goals to 6. The home team had the better of the play thruout, and only a sensational display in goal by Ernie Collett kept the score down. As it was, Collett got away with a lot of slipping to the ice to save sure goals from the local forwards. Woodcock, Trappe, Sullivan and Quain played well for the visitors, while Binney, Newell and Nicklin were the pick of the winners.
