BIRDS VICTORS IN FIRST TWO GAMES

First Defeat of Season for Jones in Second Game.

Baltimore, Md., June 16.—The elongated Rube Parnham loomed up as a giant in the path of Toronto this afternoon, and when the day's proceedings were over the Leafs had suffered a double-defeat, to the mournful tune of 9 to 4 and 4 to 1, the tall right-hander of the Orioles getting credit for both victories. It was just a little twist of the fates that resulted in Rube being on the mound during fifteen of the eighteen innings, in which Toronto vainly tried to knock out enough runs to win.

Toronto went scoreless for five innings, and then, with two out and two on, Anderson tripled to right. It was a close play at third, and Parnham gave Umpire Wilson a little shove. It was ever so gentle, but enough for Wilson to send Parnham to the clubhouse. Naturally, Rube was very peeved, so much so that he asked to be allowed to twirl the second game. Naturally, Manager Dunn consented, and Rube had the Leafs eating out of his hand pretty much the entire trip. Incidentally, the little freak of the fates that sent Parnham back for the second game spelt the first defeat of the season for Jones, who pitched well enough, except in the opening round, when singles by Maisel and Jacobson and Honig's clout over the left-field fence netted three runs. The Birds did little or nothing to Jones from then on up to the eighth, when they put over their other counter.

In the second game Toronto had a good chance to score in the second inning when Holden was on third and Anderson on first with none down.

Purtell's short fly was gobbled up by Jacobson. Deufel then lifted to deep centre and Jake, by a sensational throw, nailed Holden at the plate after the catch.

This play took the pep out of the Leafs for they were never in it afterwards except in the seventh session. With one down Purtell and Deufel were deadheaded. Jones popped to Boley, but Gonzales came thru with a two-base rap down the left field line. Purtell scored but good fielding by Lowry held Deufel on third. Breckenridge then filed to Koning.

Peterson started out as Parnham's opponent in the curtain-raiser. The Birds were after him from the jump and went out into the lead in the second round. They kept pecking away at him and adding to their score until they had a four run lead at the end of the fifth session. The flock got one in the sixth, after the Parnham-Wilson episode.

Frank relieved Rube, and held Toronto scoreless in the seventh, but Herche, who had taken Peterson's place in the seventh, was nicked for a pair in that round, and for a like number in the eighth, so that the two runs scored off of Frank in the eighth did not worry the four thousand or so fans who were on hand for the bargain bill.

Naturally, with the Birds out-hitting the Leafs, the flock showed to good advantage, altho the trio of Oriole outgardeners surely made the Leaf outfielders look bad when it came to throwing. Gonzales' fine work at short was easily the feature of the day from the Toronto viewpoint.

Doubleheaders are booked for tomorrow and Wednesday, with one game winding up the series on Thursday. The double victory gives the Birds an advantage that will not be easily done away with, especially as the home team practically used but one pitcher to chalk up the two-ply win.

To Keep Rosedale for Rugby and Other Games

Whether Toronto is to be represented in the Big Four Rugby Union practically rests with the board of control in their decision as to Rosedale Athletic Field. A meeting of the board is to be held on Wednesday at 10 a.m., when some decision will be reached as to whether Rosedale grounds are to be taken over as a park or remain as an athletic field where the Argonauts' Big Four games have been played for years.

At present the only available rugby fields are Varsity Stadium and Scarboro Beach field. Varsity is to be occupied by the university team this fall, while Scarboro will probably be occupied by the Provincial Union games. With Rosedale grounds closed, the Argonauts, who have used the field for practice and league matches, will have to look elsewhere for grounds, which at the present looks like an impossibility. The accommodation for athletics in Toronto is at present small, and if Rosedale is closed by the board of control and used as a park, it will cause a critical stage in rugby circles.

The fall will see rugby taken on again for the first time since 1914, and it will be a time when every effort will be needed to get the game back to a pre-war basis. If they decide to close Rosedale, it may mean that the Argos will have difficulty in finding a field at a time when everything should be done to boost the game along. The board of control is to be petitioned by various sporting fraternities in an effort to get Rosedale grounds kept open as a rugby field.

Hamilton, June 16.—Hamilton won its seventh straight game today, the tail-end London team being the victim of the Shagmen. Cosy Dolan made his first start on the home grounds, but did not last long, four hits and a walk netting the visitors three runs in the fourth. He was pulled to make way for Schettler when the bases were filled, and Schettler allowed but one hit after that. Hits and good work on the bases got Hamilton two runs in the fifth, and two more resulted in the sixth from hits. The London team will be strengthened tomorrow by the addition of several new players, which Manager Hagel will bring with him from Chicago. The score:

KITCHENER WINS FROM BRANTFORD CREW

Kitchener, June 16.—Ernie Sharpe held the Brantford Red Sox down to two hits and runless until the eighth innings in the first game of the series here this evening, when he weakened, and three hits netted two runs. The Sox started another rally in the ninth, and after a run had been scored and two on bases and one down, Sharpe was relieved by Gilbert, who pitched three balls and retired the side with flies to right and centre fields. Bills pitched a good game for the visitors, but bunching of hits in the third and sixth innings yielded enough runs to win. Umpire Anderson had a number of close decisions, which caused considerable argument with the Red Sox, but the official "stood pat." The score:

HAVERFORD BEATEN AT RIDLEY COLLEGE

Pennsylvania College Cricketers Open Canadian Tour—Play Toronto Tomorrow.

The Haverford College cricketers arrived in the city last night after playing the first game of their Canadian tour yesterday afternoon at St. Catharines, where they were beaten by Ridley College, 181 to 107. The tourists have a very fine eleven, and Harry Griffiths' boys were fortunate in disposing of Porter and Crossman as they did. This pair went in first and shaped away above the average. Porter is an Irish lad and captain of the team. Ridley batsmen took kindly to the bowling of the tourists and as a result Hooper and Glass compiled over three-quarters of a century between them. Ridley's fielding was clean, and young Glass kept wickets without an extra. The score:

St. Cyprians, by Long Margin, Beat St. Edmunds

St. Cyprians and St. Edmunds played at Oakwood Collegiate grounds on Saturday, the game resulting in a win for the visitors, 126 to 69, who had all the worst of the weather conditions. Owing to dilatoriness on the part of St. Edmunds' players the game didn't start until nearly half past three, by which time it had commenced to rain. Despite the unfavorable conditions two of the homesters were disposed of in brief order, Percy Lambert being bowled by a shooter from Barber after scoring a boundary hit for 4, and Horace Ledger failing to a magnificent running catch by Johnson at long-on off a full pitched ball from Flett. After an hour's delay, caused by the storm, Campbell and Cairney carried the score to 30, when the former was clean bowled by Barber, his score of 16 containing a boundary for four and a grand straight drive for six clear over the north fence. Cairney continued to bat until he had compiled 16 runs when he placed the ball in the hands of Herbert. Wakelin played out the inning, which closed for 69 runs, with a careful 6. Barber captured 7 wickets for 31, Flett 2 for 10, and W. Huddleston for 12. St. Edmunds on taking the field had not the disadvantage of wet grass and soddened ball to contend with and George Jones was in fine form with the ball, opening with bowling with Cairney. The first wicket (Johnston) fell at 8 and his successor's (Wise) at 20. Madison fell at 21, and Reeve at 27. The fifth wicket totaled 43 and the sixth 49, being twelve runs behind the home team at this stage. The advent of Flett, however, soon dashed the hope of St. Edmunds, both he and Huddleston playing fine cricket until the latter was caught by H. Ledger after making 27 (2 sixes and 1 four). Smith joined Flett, who was ultimately bowled by Lister for 37 (2 sixes and 1 four). The outgoing batsman being at the wicket, while 58 runs were added to the score. Smith played a good 16, including 1 four and Herbert, not out, 7, the innings closing for 126. Jones, who bowled well, took 7 wickets for 25, Lister 1 for 12, and Cairney 1 for 33. Four other bowlers were unsuccessful.
